SPECIFICATIONS

Overview

This highly customized 1992 Sea Ray 400 Express Cruiser has a full Aluminum Tower with upper Controls, clean-burning low-hour (1300 Hr), 300HP CAT 3116 Diesel engines, and a 2017 Interior. Her two stateroom layout makes for a great family cruising vessel with plenty of room in the cabin as well as cockpit area. Her Owner, a lifelong yacht owner & pilot, has invested more than the Asking Price in the last year to upgrade the interior, carefully service the engines & generator, ensuring that she is ready to go cruising with no further investment. Take one look and you will want to be her proud new owner!

Here's what the ***Powerboat Guide*** has to say about this model: "*With her bold styling, huge cockpit, and luxurious interior the Sea Ray 400 Express Cruiser was considered a state-of-the art boat when she was introduced back in 1992. This was the long-awaited replacement model for the 390 Express Cruiser (1984-91), and while she has less beam than her predecessor, she was a big step up in luxury and appearance. Built on a deep-V hull with a solid fiberglass bottom, the two-stateroom interior of the 400 Express offers comfortable accommodations for six. The master stateroom includes a pedestal island berth as well as a TV/VCR and a privacy door, and a circular pocket door closes off the starboard sitting room, converting it into a private stateroom with a full-size bed and convertible upper bunk. A separate shower stall is found in the head, and the large galley includes a breakfast bar and generous in the cockpit,*"

The tall Offshore Big Game Hunting Tower adds thousands of dollars of value and practical fish sighting capability, as well as ensures you will have one of the most unique Sea Rays around your marina or offshore fishing. Best yet, even if you are not interested in offshore fishing, the upper helm provides an outstanding vantage point from which to steer and navigate through shallow waters and the new interior makes it an ideal liveaboard or cruiser; for a fraction of the cost of comparably equipped boats in this condition.

Call today to schedule a personal inspection. She is easy to see at the St. Pete Municipal Marina, an ideal location to consider living onboard to enjoy a waterfront city lifestyle. Call today because this one is priced to sell soon.

DETAILED INFORMATION

Accommodations

This 1992 Sea Ray 400 Express with Tower offers spacious updated accommodations with two private staterooms, for a yacht this size. All the soft-goods have been replaced with the exception of the salon sofa; new wall-coverings, carpets, and ceiling liners provide a fresh, clean and updated look to the interior. The private Master stateroom with queen berth is forward with hanging lockers to port & starboard, TV to starboard, shelves port & starboard, and seat to port.

The private Guest stateroom is to starboard with over-under bunks and a hanging locker. The Head with separate shower is to port, and aft is the galley to port with a 2017 Norcold 120V/12V Refrigerator with Freezer

The Salon features convertible dinette to starboard, overhead storage cabinets to port & starboard.

The spacious cockpit features the Helm station to starboard with double-wide helm seat, double wide companion seat to port both with storage underneath. U-shaped lounge seating aft to starboard, sink with ice maker & single seat to port, stern door to port, large 2 tiered swim platform with built-in fender holders and a SS folding swim ladder.
