SPECIFICATIONS

Overview

Large aft sliding door leads you into the main salon with a couch on the port side that converts to sleep two. There's also a settee on the starboard side with a TV located in an enclosed cabinet at the aft end of the settee, making TV viewing from anywhere in the main salon or from the dinette very comfortable. The dinette is forward on the port side and is elevated from the main salon with great views out of the salon windows. The galley is down two steps from the main salon on the starboard side and encompasses a full size refrigerator, a three burner electric cooktop and a microwave oven. There's plenty of counter space for preparing meals and lots of storage throughout including a large pantry at the forward end of the galley. The master stateroom has a large centerline queen berth with two hanging lockers and plenty of cabinets for storage. There's also another TV at the aft end of the forward stateroom for private viewing. The master head is in the starboard side with a vacu flush head and stall shower. The guest cabin has separate bunks for your guests and it's own private head with vacu flush head and stall shower.
