SPECIFICATIONS

Overview

The Nor-Tech 340 Sport Center Console will ease onto plane and maintain plane at very slow speeds. Thanks to the hull design, visibility is never sacrificed. The stepped hull tracks straight and true and can carve turns like a seasoned slalom skier. In rough water you will feel as if you are in a much bigger boat as the hull of the Nor-Tech 340 Sport Center Console quietly absorbs the impact of the heavy seas while keeping the occupants dry. Starting at the bow, forward seating has been added and redesigned with improved storage access. The sun lounge has been shortened to accommodate new seating and has a fold-down armrest and grab rails built in, and steps are built in along the midship gunwales. The console dash panel is now designed to accommodate two 17-inch screens or multi-function displays, a 7-inch engine monitor and stereo on the dash panel.

Basic Information

Category: Center Console

Model Year: 2019

Year Built: 2019

Country: United States

Vessel Top: Hardtop

Dimensions

LOA: 34' 0" (10.36m)

Beam: 10' 0" (3.05m)
