## Description

This one-of-a-kind design delivers the accessibility of a walk around with the visibility of a step-up helm and forward cockpit seating, while all along doing it with the sexier lines and profile look of a cuddy. Moving the head out of the cabin created roomier overnight accommodations with a full galley, extra storage space and a convertible dinette-berth. Hidden under the console, the innovative new head is unlike any on a boat of its size, featuring a separate stall shower with space saving retractable commode, elegant vanity and spacious dressing room. We build each Intrepid to order so tell us what works for you, and we'll craft your new 375 for just the boating experience you have in mind.

You can expect the same smoothness on the water that every Intrepid is known for. A smooth, dry ride and maximum deadrise are the result of our industry-leading transverse stepped hull design. Vacuum-bagged, infused, and hand laid knitted uni-and multi-directional fiberglass laminates, foam-cored hullsides, transoms, boat deck liners and wood free construction provide unprecedented strength, rigidity and safety without the performance-robbing weight.

## Features

- White/White Gel Coat
- Tinned Wiring

- Navigation Lights
- Auto Bilge Pump (2)
- Breaker Panel Switches
