SPECIFICATIONS

Overview

Tarrab Yachts has been building yachts for more than 40 years and is Argentina's premier builder of fiberglass yachts. Each is custom made of solid fiberglass hull structures and they deliver a level of spaciousness and comfort that's become their trademark. This 112 footer is no exception and boasts both massive interiors and expansive exteriors. She benefits from a full exterior paint job in 2018 and is eagerly awaiting a new home. **All offers in writing will be considered.** Showings by appointment only.
