## Overview

---

THIS IS ONE OF THE BEST DEALS ON THE MARKET TODAY!SHE'S READY TO LOAD UP THE GEAR AND GO FISHING IMMEDIATELY.SELLER HAS NEW BOAT BUILD UNDERWAY.CHECK OUT ALL OF THE RECENT UPGRADES!BOAT HAS BEEN MAINTAINED TO THE HIGHEST STANDARDS

Owner wants her sold and this recent major price reduction reflects that!

With years of sportfishing experience at the helm, the legendary Buddy Davis crafted some of the finest riding hulls in an era of continual refinement and a dedication to tackling the day to day punishing conditions of Oregon Inlet, NC. Buddy Davis boats quickly garnered a notable reputation in the global sportfishing market. For this reason, Buddy's boats were some of the first to travel to the world's most remote and ultimate fishing destinations. The 52 Davis is a true "traditional" Carolina design with a reputation to take on a head sea with the best of them.

The "Deep Blue" features three staterooms along with a master and companionway head. She is powered by a pair of MAN 1050 diesel engines providing an ECONOMICAL cruise speed of 27 knots. She has been Professional Captain Maintained and it shows. This is the last 52 Davis ever built. Engine service is up to date and an extensive amount of "love" has been given to this vessel over the years. She is ready to go!
