Overview

Bavaria Vision 46, designed for the sailor who appreciates the finer things in life

The Vision 46 is a yacht designed by **Farr yacht design**, that takes advantage of the latest construction technologies developed by the Bavaria engendering team, and the result is a state of the art **performance-cruiser**, with elegant forms, functional cockpit, and practical high-end interiors, that is safe and easy to handle. The companionway on the Vision 46 is **offset to starboard** in the cockpit, which means when you are dining at anchor, you do not have to drop a table leaf to squeeze past when it is time to get below for the next bottle of wine!

You can even shower on the signature **lower-able swimming platform**, without holding the shower head, as this yacht has a shower holder on the underside of the helm seat.

The L shaped galley is functional with generous food preparation areas, and ample refrigeration space.

The owner's stateroom is forward, with a Queen- size island berth, and ensuite head and shower. The port aft cabin is a King-size double, which neatly converts to a twin, and there is a smaller double berth to starboard, accessed via the aft head. Above this starboard aft berth, you can **sleep under the stars**, as the cockpit seat above the berth hinges open to give a view of the night sky.

Her owner is moving on to other endeavors and is motivated to accept offers. Professionally maintained and ready for your surveyor. Absolutely like new condition with extremely low hours and use. Why Buy NEW?

Basic Information

Category: Sloop

Model Year: 2016

Year Built: 2016

Country: United States

Dimensions

LOA: 46' 0" (14.02m)

Beam: 13' 7" (4.14m)
