DETAILED INFORMATION

Layout

The Prestige 500S has an excellent 3 cabin layout with an innovative full beam master cabin mid-ships with a private entrance. The master has it's own ensuite also.

The VIP cabin and third cabin are forward of the salon with a shared head.

The salon incorporates the helm, seating areas and the galley all in one fluid space which gives a great feeling of space and light. This is further extended through the triple sliding glass doors aft that lead to the cockpit with further seating. The aft cockpit can be shaded with an electric retractable shade and the salon/ helm can also be opened to the sky with an oversized sun roof, this all creates a totally adaptable space for upmost comfort when entertaining or cruising.

Accessed aft through the cockpit seating is a fourth 'Skippers' cabin with head, vanity and AC. This is also a helpful space for extra storage when not in use for some of the larger unwieldy items that clutter the deck in normal cruising.

Navigation Electronics

This 2016 Prestige 500S is fitted with a full suite of electronics for easy navigation.
