Overview

New to the market! Rare opportunity to buy a 245 CC Edgewater slightly used and always lift kept. She is aggressively priced to be the next one sold. Yamaha Factory Warranty on F300 Engine until 8/30/2021. She is fully equipped turn key and ready to hit the water! Preowned with only 182 hours this 2015 Edgewater Kunjah Express has been covered high and dry since new. The owner says this will be the next one sold. Unlike most other boats on the market, Edgewater Powerboats utilizes proprietary SPI (Single Piece Infusion) Technology. Vinylester resin is chemically bonded in a close-mold vacuum infusion process that bonds the hull with composite structural beams, creating a single structural unit. The result is a stronger, safer and more efficient boat that's just plain better. By focusing intensely on safety, EdgeWaterlet's you focus on making the most of every moment on the water. This boat is perfect by serious sportsmen and active families who demand practical features, reliability and durability. This boat is great for fishing, diving, skiing, cruising and anything else you could possibly want to do on the water.
