SPECIFICATIONS

Overview

Pinnocchio is an exceptionally well-maintained and updated example of the popular 2003 Cruisers 3672 Express and is offered in “turn-key” mechanical condition to her next owner. She is a spacious and performance-oriented express cruiser with a like-new cherry wood interior that is indicative of the love and care that it has received since new. Step onboard and the dual-level Cockpit with additional seating on the upper Helm level includes unique molded steps leading from the middle of the upper cockpit helm, through the middle windshield hinged panel, that will get you safely up to the foredeck for sunbathing, handling lines or the anchor, without tip-toeing along a typically narrow side deck found on nearly every other Express Cruiser in this size range and smaller.

Powered with low hour, twin 8.1 Horizon 380hp engines and a 7.3KW Kohler Generator in an upgraded sound enclosure, 16,000 BTU CruiseAir A/C, Garmin 740 GPSMap Color Chart-plotter, two refrigerators with freezer and icemaker, a well-equipped galley and spacious head with VacuFlush toilet, separate stall shower, and plenty of storage in all areas, *Pinnocchio* is ready to take you cruising to the destinations of your dreams.

Recent upgrades in the last year include new Sunbrella-trimmed U-Zip vinyl windshield panels, risers and manifolds on both engines, and many pumps, impellers, and all engine and generator services. This vessel is well-equipped with lots of spare parts and a locker full of additional boat supplies that will convey to the new owner. Plan on replacing the aging cockpit upholstery and a few Vinyl U-Zip Cockpit windows and you will increase the value and overall curb appeal of this spacious cruiser. Pack your bags, climb aboard, add some food and you are ready to go cruising onboard *Pinnocchio*.

Step aboard and you will think you are on a much newer yacht. Call today to schedule a personal inspection.

DETAILED INFORMATION

Information

Manufacturer Provided Description

The Cruisers 3672 Express features a sleek express exterior with plenty of cockpit space and a well-thought-out layout, effectively combining above-deck comfort with a sweet, performance-driven profile. Owners can select from two interior layouts. With the single-stateroom layout, the 3672 achieves a family-room feel. The airy salon is one wide-open living space from the forward stateroom - which can be closed off by either a standard privacy curtain or an optional bulkhead and door - to the comfortable, easily convertible aft settee. The double stateroom layout offers a midcabin stateroom with twin berths instead of the settee. In either case, there are comfortable sleeping accommodations for five people with its generous six feet, six inches of headroom. A cherry veneer interior is an available option.

Accommodations

Enter the cockpit of this 2003 Cruisers 3672 Express 2001 from the wide and sturdy swim platform through the transom door to port, and the cockpit wet bar is straight ahead with a large locking refrigerator with icemaker, plenty of storage under, and built-in drink holders on the countertop and forward of the sink. A Hot-Cold built-in recessed cockpit shower is conveniently located near the transom door and swim platform. Opposite the wet bar and aft, the wrap-around vinyl seating and removable table will be the center stage for your next dockside gathering. Engine access is under this area and the entire hinged floor raises with two recently upgraded electric lift cylinders to provide excellent access to the engines, generator and all mechanical systems below. The entire cockpit has removable carpet with protective washable Sunbrella snap-on covers and the new Bimini has side curtains and back panels that enclose the entire cockpit when desired.

Forward of the wet bar on the same level is the companionway sliding hatch. Forward to starboard and up a step is the adjustable double helm seat with bolsters and a curved settee to port. Molded steps and a stainless steel handrail to port between the companionway and the helm provide convenient and secure access to the foredeck through the hinged center panel of the windshield.

Enter the cabin via the companionway, down two molded and carpeted stairs and the like-new, luxurious satin-varnished cherry wood cabinetry, carpeted floors, and complementary professional designer décor will make you feel certain you are on a much larger and newer yacht. To port behind a cherry cabinet is the AC/DC electrical breaker panel and forward is the Tundra 12V/120V built-in refrigerator/freezer, Panasonic 21" LCD TV below, followed by the L-shaped Galley Corian counter with

cherry cabinetry storage above and below in addition to a built-in Magic Chef microwave, coffee-maker, two-burner glass-top stove, and deep sink.

Opposite and forward of the Galley to starboard is the U-shaped ultra-leather dinette with solid cherry table and storage under the settee. Outboard of the settee is a shelf and twin cherry cabinets on each side. Aft is an athwartships beige ultra-leather settee that converts into a double bed with a privacy curtain, cedar-lined hanging locker and under-shelf storage to starboard.

Opposite the Dinette is the private head with tiled floor, a smoked Plexi-glass full shower enclosure, VacuFlush toilet, vanity and sink with generous cherry trimmed storage cabinets above, below and outboard of the toilet. Plenty of storage to keep all your toiletries, make-up and linens onboard for extended cruising with all the comforts of home.

Forward of the salon is the Master Stateroom with offset raised double berth with innerspring mattress, custom-fitted linens, storage drawers under the berth, a cedar-lined hanging locker on each side, and a Panasonic 21" LCD TV on the starboard side.

There are 6 opening side ports, and 3 opening deck hatches, providing plenty of light and ventilation when the weather is nice. The 16,000 BTU reverse cycle CruiseAir A/C system with digital controller is normally in de-humidify mode when the caring owners are not onboard so the interior is dry, has no odors and overall is in like-new condition.

Galley

The L-shaped Galley is compact, yet offers all built-in appliances and excellent storage above and below the Corian counter tops. The well-equipped and functional Galley features:

- Tundra12V/120V Refrigerator and Freezer
- Corian Counter top, sink, & H/C pressure water.
- Magic Chef Microwave Oven.
- Two-Burner Glass-Top Stove.
- Space-Maker Coffee maker.
- Cherry cabinetry over and under counter storage.

Navigation and Electronics

- Garmin 740S Color Chartplotter.
- Raymarine ST60 Digital Depth Display.
- Hummingbird Digital Depth Display.
- Uniden VHF Radio.
- Plastimo Navigation Compass.
- Clarion Stereo/CD/AM/FM .

- Clarion 6-CD Changer.
- 4 Stereo Speakers and 1 Sub-woofer.
- 2 @ 21" Panasonic TVs.

Hull and Deck

- Walk-through Windshield.
- Opening Side Vents and Windshield.
- Tilt wheel with hydraulic steering.
- Helm Console Cover.
- Double Helm Bench Seat.
- Fore & Aft mounted bench seat adjacent to helm.
- Recessed anchor locker on foredeck with 12V Windlass.
- Integrated Swim Platform with SS swim ladder.
- Cockpit H/C Shower.
- Sunbrella Bimini and Vinyl side curtains
- Bruce Anchor, chain & nylon rode.
- Dockside pressure-reduction water inlet.
- Transom Storage Locker.

Engines and Mechanical

The Twin 8.1S Horizon 380 hp engines have had the best of care and in 2017, all risers, manifolds, port alternator, and impellers were replaced with less than 900 hours on the engines. The engine room and mechanical systems include:

- T/Merc Horizon 8.1S 380hp engines with 900 hours (as of 7/18).
- Manifolds and Risers Replaced - 2017.
- Racor fuel filters.
- VacuFlush head system and pumps.
- Two Bilge pumps.
- Rule High-Water Alarm.
- Engine hatch lift cylinders
- Trim tabs.
- Built-in Oil Change System.
- Fireboy Automatic Fire Extinguisher System.

Electrical Equipment

- 12V & 12V Electrical Panels.
- Two 30A Shore Power outlets and cords
- 7.3 KW Kohler GenSet in Sound Enclosure - 285 hrs (as of 9/20/12)
- 4 @ Group 31 Marine Batteries (2016 & 2017)
- 40A Pro-Tech Battery Charger.

- 16,000 BTU CruiseAir Air Conditioning with SMX Digital Control.
- 12V ACR Search Light with remote control at helm.
- 12V Maxwell Windlass with up/down deck switch controls.
- 12V lighting in cockpit and interior as well as Nav. Lights.

Exclusions

Excluded are personal and other items found onboard during inspection or shown in photos on Central Listing Agent's Website that are not specifically described in text of the Listing Specifications. However, all safety items that are onboard during inspections that are required by the USCG, as well as a minimum number of dock lines, fenders, and boat hooks to safely operate and dock the vessel are included, whether identified in the Web Description or not.

Exclusions

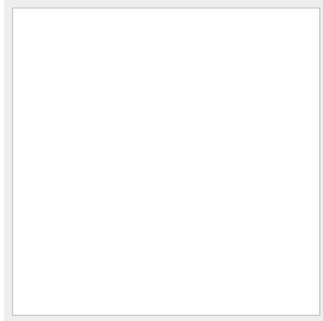

Owner's personal belongings.
