SPECIFICATIONS

Overview

When you step aboard this Endeavour 36 you can easily feel the care and knowledgeable usage the vessel has been receiving by these sellers. They bought her new and have cruised her extensively and wisely up and down the East Coast. Almost all possible on board equipment for extensive cruising is aboard and workable. Even the sink in the galley is deep enough to be used off shore to not wash down the working deck below. The windows are tight and the air conditioning can handle Florida heat and humidity.

DETAILED INFORMATION

Information

Accommodations

As you enter the aft main salon you are faced with a U shaped beautifully upholstered divans on three sides. There is a fold away table that can accommodate six diners served by an upholstered stool to complete the circumnavigation of the dining table. Immediately to the left is the fully equipped galley down three steps. Aft of the galley is one of the sumptuous double berths. One of the two engines are below that stateroom with a well sound conditioned enclosure.

Forward of the galley is a passageway to a very large storage area and hanging locker with a second entrance to the athwartship positioned master stateroom.

Going aft and to starboard of the main salon is the second double bedded stateroom with the second engine below.

Going forward from the salon on the starboard side there is ample storage and a large bath area with a separate enclosed shower.

Within the interior, there are four opening hatches, eight opening ports, Caframo 12v fans and a 16,000 BTU Marine Air Conditioning Unit.
