## Overview

---

This particular Jupiter 31' has been barn stored (also with her own cover) for 15 years. Fastidiously kept up by meticulous owners. The 'No Agenda' has been their pride and joy. Never been fished and recently had an upgraded repower of new 300 HP Suzuki's. Only 40 hours on them and still with over 5 years of warranty. This has to be, for her age, the best looking Jupiter 31' on the market today. Call for an appointment now as she won't last long.
