SPECIFICATIONS

Overview

Regal's first-ever Flybridge Motoryacht, the 3880 Commodore in 2001-06 later became the 4080 Commodore in 2007-11 and has been a successful model. The rakish styling of the Commodore is quite striking for a fly bridge sedan. The high side decks of the 3880 allow for a full-beam salon with the kind of living space seen only in a larger boat. The galley is down, opposite a small guest stateroom that extends under the salon. Hatches in the salon sole lift to reveal deep storage bins, and a bar counter divides the salon from the galley. Topside, the Commodore's fly bridge is big for a boat this size with seating for six and a double sun pad aft. Additional features include cockpit engine room access, foredeck sun pads, molded fly bridge steps, a fold-out cockpit seat, and a mid-cabin with twin single beds that can be converted to a queen. Notable Features: Max Power Bow Thruster, New Fusion Bluetooth Stereo System, New Salon Samsung TV, New U-Line Ice Maker, Full Flybridge Enclosure w/Screens, Chart Plotter, Radar, Depth Gauge, Marine Air Heat/Air, 7.2KW Westerbeke Generator, New Engine Manifolds, New Water Heater, Lofrans Windlass, Danforth Anchor, Central Vacuum, Cherry Interior. Please contact the central Listing Broker for further details or to arrange a showing.
