SPECIFICATIONS

Overview

Joan's Beach is an extraordinary example of the Jefferson 82 Starship series! Her owners have maintained two crew onboard to stay on top of every detail. She boasts a three stateroom, two crew layout with one of the crew rooms convertible into a fourth stateroom. Notable features of Joan's Beach are her beautiful cherry interior, expansive open salon, full beam master stateroom, and vast exterior spaces. Joan's Beach is a MUST SEE!

DETAILED INFORMATION

Overview

Cockpit Cockpit Entering from the aft, the first thing you will notice is the large cockpit finished with teak decks. This area makes the boat ideal for the avid sportsman as you can use this area for fishing, diving or just enjoying time in the sun. From the cockpit, there is a private entrance to the crew quarters and engine room or up a molded-in staircase to the aft deck.

- Mount for fighting chair
- Dive door
- Teak decks
- Entrance to crew quarters

Aft Deck Joan's Beach aft deck is perfect for entertaining! The aft deck is weather protected by wing doors port and starboard to the walk around; she boasts a full wet bar with a sink, ice maker and refrigerator as well as a teak table with seating for 8. Forward of the aft deck you will enter the main salon.

- Teak table to seat 8 comfortably
- Wet bar
- Teak decks
- Molded in stairs to flybridge

Salon The main salon is outfitted with all of the comforts one would expect on a boat of this caliber. Joan's Beach has plenty of room to entertain a crowd but intimate enough for a comfortable, quiet night in with the family. There are built-in settees on both the port and starboard side along with a larger L shaped settee forward that has an electric high-low table. This feature allows for the conversion from a lounge area with a coffee table to a dining table if you choose to dine indoors. Accessed from the salon is a day head on the starboard side to allow ample natural light to enter. Forward of the salon, you will find the Galley.

Galley The galley of Joan's Beach has a pocket door and sliding wall to allow for an open layout for owner operators or to close off the galley for crew serviced dining. The U-shaped Galley has granite countertops. The galley features all GE Profile Appliances? full-size side by side Freezer and Refrigerator with icemaker and water dispenser, Convection Microwave, Four burner halogen cooktop, and trash compactor. Fisher & Paykel Dishwasher. Dual Stainless Steel Sink. All the usual accessories? coffee maker, toaster, utensils, and cookware are present as well.

Pilot House The Pilothouse forward of the galley is accessible from the exterior by port and starboard wing doors and contains bench seating as well as a Stidd chair for

the helmsman. On the port side aft in the pilothouse is a spiral stairway to the flybridge and there is a curved stairway to the left of the galley going below to the accommodations.

- NEC daylight display running MaxSea charts
- 2 Furuno Navnet multi function displays
- Furuno 72 mile radar
- Furuno digital depth
- Furuno auto pilot
- 2 Simrad VHF radios
- Xantrex inverter control
- 2 Arc Spotlight controls
- Voyager camera monitor aft deck and engine room monitoring

Master Stateroom The Master Stateroom is amidships and features a full beam cabin, centerline king bed and ensuite head forward to starboard. There is a makeup table to starboard and a settee to port.

VIP Stateroom The VIP Cabin is forward in the bow and features an island queen berth, ensuite bath aft to starboard, and shoji screens in front of the portlights.

Guest Stateroom The Third Guest cabin is to the port side of the foyer on the accommodations deck. The cabin features twin berths with a nightstand between and shoji screens in front of the portlights.

Flybridge The Flybridge is reached from two locations? the spiral staircase from the port side of the pilothouse, or from a stairway off the aft deck. The flybridge has a hardtop with EZ2CY enclosure on all four sides, air conditioning, and helm with two Stidd chairs and full electronics. The flybridge seating is expansive with two long curved settees with tables, complete bar/grill area with three stools and a third seating area on the boat deck with weatherproof moveable furniture. The 1500lb davit stows along the port side and deploys a Zodiac 420 Yachtline Deluxe center console RIB with 40hp Johnson 4 stroke outboard. NOTE: The electronics mast on the hardtop is hinge-mounted which allows the mast to be easily lowered thereby reducing the air draft of the vessel to 20 feet.

- 2 Furuno Navnet multi function displays
- Furuno 72 mile radar
- Furuno digital depth
- Furuno auto pilot
- 2 Simrad VHF radios
- Xantrex inverter control
- 2 Arc Spotlight controls
- Voyager camera monitor aft deck and engine room monitoring
