## Overview

---

This Pershing 82 VHP (Very High Performance) named SIPSEY means the pinnacle of pleasure yachting is taken to new extremes. She is only one of five - limited and rare vessels to be built with the twin MTU 2,700 HP high-output engines. Her aggressive hull design is carved to provide the most brilliant response to the toughest of challenges, combining large size and sporty features. Even at 82 feet and with an 18' beam, she can still reach a maximum speed of 52 knots. Professional photos and drone video coming soon.

## Brief Description

---

THE MISSILE DISGUISED AS A YACHT!

**With the Pershing 82 VHP - the pinnacle of pleasure yachting is taken to new extremes.**

This Pershing 82 VHP (Very High Performance) is only one of five - limited and rare vessels to be built with the twin MTU 2,700 HP high output engines. Her aggressive hull design is carved to provide the most brilliant response to the toughest of challenges: combining large size and sporty features. In spite of her 82' feet and 18' beam, this Pershing 82 VHP can reach a maximum speed of 52 knots! She also delights the senses at the dock, long sleek flowing lines of modern European style makes SIPSEY stand out! This yacht is for the individual who is never giving in to anything conventional. Interior design that rivals metropolitan penthouses - every step throughout her cabin is a luxurious tour of leather, fine woods, upscale appointments in soft grays and whites. Elegance abounds as well as technology - plenty of upgrades of systems.

A fantasy layout out back with large sun-pad and a remarkable teak swim deck. Every detail is evidence of the high performance yet s capable of. Upscale accommodations, Italian decor and access to the flybridge via a retractable carbon fiber ladder. Here you will find a retractable helm station to maximize aerodynamics when not deployed, but as Pershing has proven, function can also follow form - which results in the 82 VHP and her sleek and imposing profile.
