SPECIFICATIONS

Overview

This vessel is being offered for sale by THE ORIGINAL OWNER for the first time and she is in excellent condition. In 1986, three shipbuilding engineers came together to make dreams. The result was Riostar, built in Brazil and designed by renowned architect Tom Fexas. This is a very clean boat with a knowledgeable owner at the helm who has ordered a new vessel. This vessel must sell as the owner has ordered a new Marlow Yacht that will be completed in the next 12 months. All reasonable offers in writing will be looked at closely.
