Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Main Description

Don't miss your exclusive opportunity to preview this once in a lifetime opportunity at the Ft. Lauderdale Boat Show; Blue Zone LOM X Dock 112-118 The award-winning 53' Hydra-Sports Suenos edition, "Sir Reel", the full-tower-sport edition, certainly lives up to its name. She is truly a "surreal" opportunity. The boat is being repowered with **four brand new 2019 Yamaha F350's with full warranty** and boasts state-of-the-art Garmin electronics. The bottom line is that this boat will do just about everything, except, of course, catch the fish for you. This proven, off-shore tournament-winning machine carries 1000 gallons of fuel, giving you a 600-mile range at cruising speed. For those with a need for speed "Sir Reel" tops out at 50kts. Not to worry, you won't be sacrificing comfort for speed. One of the primary goals while designing the Suenos edition was providing comfort for the whole family -and, with a 60-degree deadrise, "Sir Reel" isn't held to the dock often.

Cockpit

This is where Hydra-Sports sets the bar! Bluewater fisherman of any caliber can attest. Hydra Sport has created the most practical and innovative cockpit at 100sq ft this user-friendly cockpit is certain to raise record-setting fish. An example of a couple of the innovative additions include, two 60-gallon live wells that are wide enough to drop a cast net in, which ensures you don't damage your bait, it doesn't end there, they took it one step further by putting a gasket on the live well covers, which creates a seal and pressurizes the live well to eliminate sloshing and destroying your bait. That's just to name a couple, the list of practical innovations doesn't end there some of which are patent pending. The summer kitchen abaft of the helm seating is the perfect place to host an afternoon at anchor with all the pleasantries not commonly found a center console. * Sahara Corian counter tops * 12v refrigerator w/ dual sink * Electric Grill * (2) 60-gallon Livewell's w/ acrylic window * Livewell overflow control system (patent pending) * Redundant Rule 2000 Livewell pumps * (2) Frigid Rigid coolers with cushions * (2) 200-gallon refrigerated fishboxes

Helm

The helm station is fully loaded with a 64inch wide command center that comfortably seats six in two rows, the first row has three very comfortable bucket seats with shock absorbing seat pedestals, fold-down armrests and flip-up bolster accompanied by two tiers of footrests on the console and individual fold-down rest at the base of each seat. The two outboard seats swivel outward and aft. The second row is five feet wide that is know as the "sleigh" seat. * (2) Garmin 8417 Chartplotter, Radar, and Sonar * (1)

Garmin 8617 Chartplotter, Radar, and Sonar * Garmin 25kW XHD Open Array Radar * Garmin GHC20 Auto-pilot * Garmin VHF * XM Weather on Garmin?s * SideVU/DownVU Sonar * M1 Satellite TV receiver to chart plotter * Thermal imaging camera * Yamaha Helm-master joystick * Lewmar Bow Thruster * ACR spotlight controls * Fusion Remote Unit * User-friendly rocker switches for functionality

Cabin

The fully functional cabin on the 53' Suenos boasts a headroom of an impressive 6 feet 5 inches making this space feel much bigger than one would expect. Air-conditioned throughout makes for great refuge when you need a place to cool off or too comfortably get a good nights rest while at anchor. * Ebony wood-veneer cabinets * Sahara Corian countertops * Glass bowl sink * Enclosed head with vanity * Porcelain toilet and shower * Convertible berth to dinette or cabin seating * TV * Interior wood floors are a warm grey with backlines

Tower

* Garmin 7608 chart plotter * Garmin Auto-pilot * Garmin VHF * ACR spotlight controls * Lewmar bow thruster controls * Fusion audio remote unit

Bow

Cruising on the 53' Suenos is the ultimate luxury, thanks to the help of the 8ft loungers with angled backrests on both port and starboard side. From the deck between the loungers, a motorized platform rises on twin pedestals to form an expansive forward sun pad that doubles as the dining area. Aft, up against the console is the best seating in the house thanks to the four levels of foam thickness used on this forward facing two-person lounge.

Sound System

The Sound System on "Sir Reel" deserves its own narrative. It's powerful enough to make DJ's around the world blush. * (8) 8.8" JL Audio recessed speakers * (4) 7.7" JL Audio recessed speakers * (6) 6.5" JL Audio recessed speakers * (6) 12" JL Audio recessed Subwoofers * (4) 8.8" Tower Cans

Deck Equipment

* Twenty-nine-inch walkways at the narrowest point * Upholstery- Mocha Brown * Hull

paint- Sand * Anti-fatigue SeaDeck- Camel w/ White lines * Powder coated hardtop frame and piping * Powder coated bow handrail * Upgraded electric reel outlets Hubbel with additional bow plug * Multi-color lights on all levels of the tower * (11) rod holders on both port and starboard side * (7) rod holders across the transom * (8) rod holders across the hard top * (6) rod holders on aft tower piping * (12) rod holders under the gunnel * (4) Frigid Rigid gunnel coolers * Hydra-Sports Patent designed anchor system * Dual inward opening docking doors

Mechanical

* (4) Brand New 2019 Yamaha F350's w/ Zero Hours and 3yr warranty * Fischer Panda 7.5kW Generator
