Hull Finish: Stainless Steel **Hull Designer:** High-Modulus

Engine Information

Engines: 2 **Manufacturer:** Caterpillar
Model: C32 ACERT **Engine Type:** Inboard
Fuel Type: Diesel

DETAILED INFORMATION

YACHT DESCRIPTION AND DETAILS

The majesty of *DREAMER* is apparent the moment you enter the main salon. The owner personally hand-picked everything you see. The curved bar to starboard welcomes you, as does rich-toned mahogany beneath your feet. Four Italian Formenti leather seats encourage you to sit and linger a while, taking in the voluminous feel thanks to 7'3" headroom and the 27' beam.

Leave your drink on the bar's CaesarStone quartz countertop to explore the rest of the saloon, with its custom carpeting, high-gloss, amber-stained walls, mahogany cabinetry, and soft leather Formenti furnishings. Watch a movie on the 52-inch television that rises from the cabinetry, enjoying a theater-like atmosphere thanks to Surround Sound. For formal meals, the dining area directly forward caters to eight people. The curves of the custom-made table echo those of the wheat-toned, sueded wall just ahead, while a gold square ceiling medallion dazzles overhead.

Should you wish some wine to accompany your meal, make your selection from the 78-bottle Sub-Zero chiller/storage unit in the professionally equipped galley. The chef has all the top-level appliances at hand, plus excellent CaesarStone quartz counter space and a prep island with mahogany cabinetry and CaesarStone top.

Of course, *DREAMER* invites you to enjoy meals outside, too. The aft sky deck is ideal, with Corian countertops large enough to stage platters and a teak Lazy Susan in the table. Head up to the fly bridge for more sun and relaxation, thanks to two settees with tables for 12, a custom six-person hot tub and sunpad, plus a bar and barbecue.

Consider having after-dinner drinks in the spacious sky lounge. The bar stools and club chairs are all made of the softest Italian leather, while four upholstered dining chairs are arranged around a mahogany table. They all invite you to settle in and watch a movie on the 65-inch plasma TV.

Come evening, the master suite and four guest staterooms provide abundant accommodations for 13. Fully forward on the main deck, *DREAMER's* master features a king-size berth with a crocodile leather upholstered headboard. Wheat-toned sueded walls, with ivory strips, complete the look. The master bath is a study in intricate design, with a dazzling, free-form mosaic Italian tile floor, raised-bowl sinks, and a custom rounded spa bath, in addition to a frameless, curved-glass shower. No detail was left out by the owner or Hargrave. Treat your guests to three VIP staterooms below decks, each with a queen berth. A fourth stateroom, featuring twin berths and a Pullman, is ideal for single adults or children. All have en suite facilities with mahogany cabinetry and beautiful hand-laid tile floors. Should additional children be aboard, the starboard VIP stateroom yields access to a separate kid's cabin, its bunk berths fitted with removable guardrails.

Just as no detail has been overlooked in *DREAMER's* decor, so, too, has nothing been left to chance in outfitting her technical areas. The pilothouse has state-of-the-art electronics for navigation and communications, and an exterior wing station to port on the Portuguese bridge aids the captain in docking and close-quarters maneuvering. The captain's cabin is directly aft of the pilothouse for convenience, while up to six additional crew have cabins below decks, finished to the same standards as the guest areas.

DREAMER embodies high-quality composite construction, built to full RINA Unrestricted classification. Twin 1,825-hp Caterpillar engines power her to a top speed of 18 knots and cruise speed of 16 knots, making her ideal for harbor hopping in the islands or exploring the posh ports of the Mediterranean.

DREAMER is an exceptional example of one owner's vision. She's also an exceptional example of how Hargrave ensures that high standards bring clients' visions to life.

Aft Deck:

Built in settee with an african mahogany aft deck table, accommodates up to 12 People 32" drop down TV from Samsung

Samsung BluRay/DVD Player Denon Audio system Cabinet with a Refrigerator and IceMaker combination unit Custom Sunpad Teak Sole Electric Doors to Main Salon Starboard Wing Station with CAT Controls Stainless steel and teak spiral staircase to sky deck.
