Overview

Price Reduced, Owner highly motivated to sell and will consider trades! GOING COASTAL is a proven world cruiser built by pedigree custom builder Paragon Motor Yachts. This stunning trideck features an open main deck with a comfortable and inviting salon, large open chef's galley with formal dining area, private midship entry to the full beam master, a midship full beam VIP which easily converts into a 4th bunk stateroom when needed, resounding skylounge with built in bar and additional day head. She is being offered for sale by her second owner whom has spent the last year upgrading her from bow to stern. She was designed for strong seas, safety, ease of operation and to smoothly cruise the open waters. GOING COASTAL is impeccable in all aspects and ready for her next owner to start exploring the world.

Sleeps: 8

Total Heads: 7

Captain Cabin: True

Crew Cabin: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: CAT

Model: 3412

DETAILED INFORMATION

Walk through

Boarding aft, you enter a large swim step platform into a spacious cockpit. You can enter the aft crew quarters and engine room from this area or go up port or starboard, and step into the large covered aft deck with banquet seating and dining table. To starboard is a serving area and to port are stairs leading up to the boat deck. She has covered walk around sidedecks. Pushing an automatic button, you enter via double doors into the grand salon where you will find large viewing windows, a comfortable seating arrangement, granite counter tops and entertainment center. At the aft end of the salon and to port is a stairwell leading down to crew quarters and the engine room. Moving forward to starboard is the on deck day head. To port is a large, open galley with excellent long range storage that would please any gourmet chef. There is a door to port for easy loading access. Forward on the main deck is the formal dining room, featuring large viewing windows and port and starboard water tight access doors to the walk around decks. Stairs lead up to the large enclosed bridge, sky lounge, and full command station with worldwide electronics, two helm chairs, complete stand behind bar, granite counter top and seating. There is a raised L shape settee with table, ideal for dining or viewing while underway and complete desk and another day head. Moving outside you will find a lounging area with four comfortable chairs, propane fire pit, hot tub, built in cabinet with BBQ and refer. There is a built in exterior straight stairwell from main deck to boat deck. Back inside to the main deck forward via the stairwell in the formal dining area, you transit down to the guest quarters. Aft and near midship is the full beam VIP stateroom with walk around queen berth, more than ample drawers and hanging closets, entertainment center and complete VIP head, counter tops and shower. To starboard and off midships is a waist high counter that comes off the aft bulkhead with storage underneath. Against the port side is a banquette for seating. This folds up into an upper and lower berth. On the counter top, a hidden partition comes out for complete privacy, creating a 4th guest stateroom. The forward stateroom features a centerline queen, seating area, and more than ample storage, hanging lockers, and entertainment area. Also an ensuite head, counter space and stall shower.

Midship in the main salon there is a private entrance staircase with a vestibule that leads into the full beam master suite with centerline king, seating area to port and a chest of drawers and desk to starboard, all built in with plenty of natural light and walk in closet. You will also find a large ensuite master head that has recently been completely redone with beautiful counter tops, double sinks, and large walk in shower. Either through the aft end of the salon or the cockpit, you can enter the aft crew quarters. Here you will find a large work area and storage to port with more than ample counter space. This area has space for additional crew sleeping and can be closed off for privacy. To starboard is the captain's cabin with double berth, desk top, ample hanging lockers, and storage.

Salon

African walnut interior in high gloss finish Carpeted sole with sound barrier padding Automatic large sliding aft door with fixed glass windows Port aft stairway with access to engine room, utility room, and captain's cabin LED overhead lighting with dimmer control Bose stereo (5) Overhead Bose stereo speakers Starboard side custom cabinet with granite top for TV/entertainment center Bar area with wine cooler, large ice maker, under counter sink, bottle and glass storage Starboard forward private stairway down to master stateroom
