DETAILED INFORMATION

YACHT DESCRIPTION AND DETAILS

"La Dolce Vita" is designed for absolute comfort and laid-back luxury at sea and in port with 4 staterooms for 8 to 9 guests, each with en suite head and berths for 5 crew aft.

Vessel Walkthrough:The European profile with dual anchor pockets starts your tour with a great look. Stepping onto the aft deck you will begin to feel the tremendous height and volume of this yacht. The 7'2" ceilings and the higher than normal Counter-top heights throughout will convince you that you are on a much larger vessel. Entering the main salon you will notice the blend of European flair mixed with a heavy dose of classic rock 'n' roll in the uncluttered floor plan. To Port, a generous seating area with L-shaped couch and to starboard a dramatic lighted Onyx walk-up bar provide ample space for gathering with family and friends in celebration or relaxation. Just forward of the salon is the dining area with a large custom-designed dining table beneath a contemporary cherry soffit. The dining area works well for formal and informal dinner parties.

Continuing forward, you pass through the two-story atrium companion-way which serves as an access point to the raised pilot house and galley. The galley is a signature Hargrave Country Kitchen with large windows and built-in dinette. From the galley you enter the very private and luxurious Forward lower deck VIP suite. On the lower deck the Master and two of the three Guest suites are accessed from a central foyer. These guest accommodations are impressive, spacious, private, and serene. Moving up top to the magnificent fly bridge, you will enjoy amazing views. The retractable roof provides plenty of shade or may be opened for sunbathing during the day or stargazing at night.

Aft Deck - Air-conditioned and Heated:The aft deck shaded by the upper deck has a custom 94" X 45" teak dining table with a Compass Rose center inlay design and a silver inlay around the perimeter of the table, 5 teak chairs by Kingsley Bates, and a settee designed for alfresco dining and relaxation. The teak caprail behind the settee that also runs along the top edge of the raised bulwark towards the bow creates a rich, warm feeling for this space. There are wide teak steps to the fly bridge for easier access between the areas. Twin stairs lead down to an oversized swim platform, a convenient place for watersports activity for getting on board the RIB tender and the jet ski that are stowed on the upper deck.

Salon:From the aft deck, you enter the main salon through automatic sliding doors to find your steps cushioned by the Aga John Oyster 100% Virgin New Zealand Wool Ribbed carpeting. (The custom carpeting was designed for this boat at a cost of \$40,000). The full-beam main salon is encompassed within the "wide-body" section of the yacht, adding to its spaciousness. It has a comfortable seating area with soft leather upholstery, elegant cherry cabinetry with camphor burl accents, and a bar with

a striking, backlit white onyx top. Both the custom L-shaped seating and high gloss platinum washed hybrid veneer coffee table by Toseva have built-in storage underneath. The cabinetry is at waist height, providing an open feeling which is enhanced by the 86" ceiling height throughout the main deck. Custom Bar with Onyx back lit bar top and three (3) stools Marble floor behind the bar Glass top for Cocktail Table

Dining: You, your family, and guests will enjoy meals at the large custom designed eight-person, high gloss platinum-glazed dining table by Toseva with its high gloss cherry table base located at the forward end of the salon. The contemporary gloss cherry soffit in the overhead reiterates the curves of the table beneath it creating a sophisticated atmosphere.

Day Head: In the day head the Renaissance Glassworks custom crystal sink sits above a countertop of Emperadora Dark Marble over gloss cherry cabinetry and Perlato Suevo Marble tile floors. These features combine to bring a touch of elegance to the head.

Galley: Forward of the atrium companion-way is the country kitchen, a Hargrave hallmark. The large, open galley is a cozy spot filled with natural light for a cup of coffee or a snack. It incorporates labradorite blue Australian granite countertops with a custom Renaissance Glassworks/Onyx glass tile backsplash behind the cooktop, bookmatched burl-paneled dinette, large windows, GE Appliances. Storage is maximized by a custom pull-out pantry and custom storage under the elevated dinette. The Galley natural teak flooring also adds to inspire the galley environment for creation of epicurean delights.

Main Deck: Custom sliding doors in port and stbd. side hallway Marble vanity top with vessel sink in Day Head Marble floor in Day Head Mirror ceiling in Day Head Marble framed mirrored walls in Day Head Granite counter tops in Galley Lazy Susan in corner cabinet in Galley (2) S/S Pull-Out Pantry Rack in Galley Marble floor in port and starboard hallway

Interior Equipment: Cherry wood Interior Custom crown molding throughout vessel Custom cherry hardwood edge throughout vessel Recess smoke detectors x 7 in custom bases in Master, VIP, Guest Cabins, Galley, Salon & PH Majlite upholstery in specified areas including labor & material Vimar Electrical switches throughout the boat Headhunter (8) heads throughout the boat

VIP Stateroom: The VIP is located on the main deck, forward of the galley, with a queen bed and en suite head. The location is the most private of all the guest cabins. The colors are light neutral cream with a modest amount of slate blue in the throw pillows covered in the John Hutton Tear Jerker fabric. The en suite head, where beveled mirrors on two walls and twin under-mount sinks visual create a much larger space, has marble tile flooring and gloss cherry cabinetry with ample storage. Ample storage is a theme continued throughout King Baby's VIP in features such as the pneumatic lift under the queen bed for easy access to ample storage under the mattress and lift-up

countertops for deep storage.(2) Cabinets with (2) Shelves inside underneath the TV in VIP stateroom

Teak grate shower floor with marble border
Frameless Glass Shower door

Master Stateroom:The full beam master stateroom is an oasis of calm ready to rejuvenate your spirit. It has a sophisticated feel with high gloss cherry cabinetry, Oyster Daga John, 3" crown molding and the two tier gloss cherry arched soffit over the king berth. Twin closets, a dressing table and settee complete the oasis. The spacious settee is covered in Robert Allen's Regency Velvet Linen with storage below combined with the custom storage bench and vanity stool providing storage and places to relax or snuggle up with the latest best seller. The his-and-hers en suite head with centrally located glass-enclosed shower allows you to appreciate the full beam of this vessel. The flooring is Perlato Suevo marble tile with a 4" perimeter boarder in Emperadora Dark to match the vanity tops. The cabinetry is high gloss cherry with ample storage thanks in part to the raised counter heights. The rectangular under-mount sinks are in Biscuit with polished chrome faucets and accessories. The shower is equipped with Legacy Brass Marissa Double Loop fixtures, including body sprays, shower head, handheld spray, and everything for a relaxing spa experience.

Starboard Guest Stateroom, Queen:The starboard guest stateroom is a spacious, luxurious retreat for your family or friends. It features a queen bed covered by a custom duvet in John Hutton Antiquity fabric and throw pillows with contemporary trims, leaving this beige and pale slate blue stateroom defining the word sophistication. The ensuite head with floors and countertops in Perlato Suevo slab marble, frameless glass shower door and custom marble shampoo caddies with stainless steel searails continue the sophisticated air of the stateroom.

Port Guest Stateroom, Twin:The port guest stateroom has twin beds that slide together for conversion to a queen-sized bed. When an extra guest is on-board, the recessed Pullman berth overhead will supply the needed space. The upholstered

headboard, with 3 beveled mirror panels above, 3" crown molding throughout and Aga John Oyster 100% Virgin New Zealand Wool ribbed carpeting combine to create an elegant and spacious guest stateroom. The bedding and fabric mimic the starboard guest stateroom to create a cohesive guest area. The ensuite head matches the elegance of the stateroom with Perlato Suevo marble slab flooring with 3" Emperadora Dark marble border, gloss cherry cabinetry with Perlato Suevo marble countertops, Bates Lindsey rectangular under-mount sink in Biscuit and Legacy Brass Single Loop polished chrome faucet. Full length mirror on inside of stateroom entrance door. Marble vanity top in bathroom. Marble bathroom floor and threshold. Mirror ceiling in bathroom. Marble shower seat. Teak grate shower floor. Frameless glass shower door.

Crew Quarters: Crew is accommodated aft in 3 cabins that are designed with the same attention to detail as the owner areas. The very spacious Captain's cabin has a queen berth with pneumatic lift to access the generous storage below and its own ensuite head. Opposite is a bunk room cabin with drop down TVs for each bunk and Cantalupi reading lights above. Both the Captain's head and crew head have Perlato Suevo marble vanities, Showers with shower seats and Grohe plumbing fixtures. Also in the crew area is a full-sized GE refrigerator. The second washer and dryer for the boat is located in this area. (The other washer dryer is located in the forward lower foyer.)

The crew quarters had a complete refit in December 2010/January 2011. This refit consisted of converting the crew from 2 stateroom/2 head layout to a 3 stateroom/2 head layout. Upon entering the crew from the swim platform you will find 2 cabins on the starboard side. The aft cabin consists of a single berth with ample storage above and below the bed as well as a hanging locker and a 22" Samsung LED TV. The starboard forward crew cabin consists of 2 over/under berths each with storage at the foot of the bed and their own 10" Alpine drop down led TV/CD/DVD player. There are drawers below the lower berth and a large hanging locker. There is a full head that separates these two rooms with an entry from both staterooms. The captain's cabin is located on the port side consisting of a queen bed, a 36" hanging locker, and plenty of storage below and above the bed. There is a NAD AM/FM/CD/DVD tuner along with a 32" Samsung LED TV. The ensuite head is forward of the stateroom. All crew flooring is teak and holly Lonseal vinyl flooring that was replaced in October 2012.

Flybridge: Enjoy sun or shade with La Dolce Vita's retractable top, designed for a FUN fly bridge. Access the fly bridge from either the aft deck or pilot house to enjoy the 60 inch-diameter hot tub with sunbathing area, storage and many other seating areas. You will find the flybridge an ideal spot for sunning or enjoying a cool drink at the gloss-teak bar with star inlays. Opposite the bar the seating includes a sofa large enough to seat eight and teak top Hi-Lo cocktail table for either cocktails and refreshments or dining. The second helm station on the fly bridge is almost entirely in the shade of the fixed hardtop. Its two Stidd chairs and companion seating for two more is the perfect spot to steer the yacht or watch the world go by. The boat deck area is complete with a Quicklift 2000 lb. davit, 15' Nautica RIB Tender, Yamaha Waverunner and four (4) Kingsley Bates lounge chairs.

Bow:The Bow is a fabulous place to relax in the sun. For sun worshipers, it's equipped with a sunpad for three guests and forward seating that is upholstered in Holly Hunt Great Outdoors water-resistant fabric. When ready for some shade, simply open the deck mounted umbrella and it transforms into a shady conversation area.

Pilothouse:The pilothouse with its top of the line electronics functions both as a crew space and owner's sanctum. Chocolate brown and camel tan colored leathers make up the majority of this very masculine cockpit-like area. The pilothouse has a Stidd helm chair for the Captain's comfort and companion seating for up to five guests.
