## Remarks

---

Strength, performance, aesthetics, these are the things that are required to be competitive in today's offshore center console market. The 420 LXF does all of these things and much more. Her epoxy infused hull engineered with a twin step design creates a super strong, light and nimble hull that glides across the water. Equipped with Quad 350 Mercury Verados, a Seakeeper 6 gyro stabilizer, a full suite of Garmin electronics, and a FLIR camera, she will get you to and from the fishing grounds quickly and comfortably.

---

## Exclusions

---

Owner's personal belongings.
