SPECIFICATIONS

Overview

To say the Altair is in pristine condition, would be an understatement. She's kept since new, her modern upgrades perfectly complement the classic styling. This boat must be seen to be appreciated.

This model was ahead of her time in today's standards. She has beautiful lines on the water and a thoughtful design with ingenious use of space make Altair a highly desirable boat for cruising and living aboard. Altair was Gulfstar's exhibit boat at major east coast boat shows and she continues to look brand new today.

Gorgeous hand-crafted mahogany and teak interior, raised panel doors, beautiful joinery work, a teak dining table that seats 6 comfortably and a walk-in engine room are just a few of the features you will want to see. Lovingly cared for with an open checkbook, she has been maintained in pristine condition by a knowledgeable and meticulous owner. An absolute must-see for any serious boat owner.
