SPECIFICATIONS

Overview

She can be run as a 12 passenger head boat in the US with no changes to her current configuration so she's perfect for snorkel trips or day sails. She also has a cabin and head in each hull so could be a great weekender or day boat for pleasure use.

Her owner has retired from the charter business and wants her sold!

DETAILED INFORMATION

Sail Area

Working Sail Area : 1077.00 sq ft

Manufacturer Provided Description

The Voyage DC 45 is an exciting alternative for the out door enthusiast looking for a performance catamaran that does not have the confines of a traditional step down saloon. The large open deck area is all on one level, while still offering the comforts of 2 luxury Queen size cabins, 2 heads / shower and well appointed galley, either in the hull or on the deck level. Unique fixtures include the Voyage boom derrick system, dingy supports, drop down swim / boarding ladder between the trampolines, traveler arch, large comfortable trampolines. Sailing systems include a mainsail with large roach, a non-overlapping headsail, bowsprit with large screacher, control lines all lead to the central steering station aft of the mast.

Standard Equipment

- Antifouling over epoxy based osmosis barrier
- Closed cell PVC foam core, vacuum bonded for stiffness, strength and minimal weight
- Forward water tight compartments with horizontal bulkheads
- Hand laid-up GRP construction using multi layers of Quadaxial glass roving, isophthalic and orthophthalic polyester resin and other highest grade material
- Low aspect reinforced keels
- Marine ply and balsa core on critical structure bulkheads for added strength and stiffness
- Reinforced fitting areas for cleats and chain plates
- Skeg supported rudders
