## Overview

PRICE REDUCED FOR A QUICK SALE - MOTIVATED SELLER!

Lowest priced 2006 -45ft Jeanneau on the market to date - the only other boat the in US is asking \$205K -last boat sold in the US for \$186K- this is a GREAT DEAL!

This vessel has been lovingly cared for and sailed from Europe to the Caribbean last fall. Many items were new in September 2017 prior to crossing the Atlantic. Everything is in top working condition. The eisenglass in the dodger was replaced. Her bottom was painted one year ago. As this was a European-based boat, there are 220v outlets. The engine has been meticulously maintained. This is a very sound boat ready for blue water sailing!
