Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Description

There are three staterooms: Master with queen bed to port, main guest stateroom forward with centerline queen, and the third stateroom to starboard with over-under bunks. There are two complete heads with stall showers (en suite/master). The dinette table is oversized and functional. Leading from the salon to the companionway there is an extra built-in step and a teak handrail for sure footing. To facilitate access to and from the fly bridge there is a custom curved stairway (ship's ladder) that is far more comfortable than the standard straight ladder, with (2) Stidd helm chairs increase the cruising comfort. The owner had the extra fuel tank built in at the factory. When it is a fishing day, you have all the equipment for success: outriggers, Eskimo ice chipper, water maker, helm pod with single lever controls, and two livewells (sole & transom).

Salon
