SPECIFICATIONS

Overview

Below Market Price. Amazing Value

Rare Diesel Model. Do not miss out on this pristine Carver 356 Motor Yacht. Low hours. New Sunbrella window cover, New Bimini, and New Isinglass.

This Carver 356 Motor Yacht feels like a much larger boat. The 356 has great looks, with remarkable spaciousness and comfort with its wide 13-foot 3-inch beam.

The salon is very open with over 6'4" of headroom, warm woods and natural lighting make the boat seem much larger. Below deck, the 356 can sleep eight adults with a master stateroom aft, a convertible dinette, an optional Flexsteel sofa and a complete forward stateroom. The 356 also offers a well-equipped galley: an upright refrigerator/freezer and lots of storage and entertainment features like the color TV sound system.

There are two head compartments, each with a shower. Topside, the 356's bridge has seating for six, extremely well-kept instrumentation, and plenty of storage. The spacious aft deck with hardtop, with full enclosure, offers a superb spot for entertaining or relaxing. The swim platform and staircase makes the 356 an easy to board vessel with all of the luxuries of a yacht.

DETAILED INFORMATION

Information

Manufacturer's Description

Of all the Carvers in the line, the 356 Motor Yacht is still one of the favorites of many yachtsmen. Could it be its enduring good looks? Or perhaps the remarkable spaciousness and comfort afforded by its wide 13'3" beam. The flybridge provides plenty of seating including a forward bridge lounge, plus complete instrumentation with a control console and an auxiliary instrument console. The spacious aft deck with hardtop, electronics arch and available enclosure, offers a superb spot for entertaining or relaxing. And the elegant port lights and fiberglass weather boards add additional style.
