Fwd. cabin included cedar lined chest of drawers and hanging locker. The large vee berth has a custom mattress. Opening ports and hatch provide excellent ventilation and light. ## Hull

---

The Zimmerman 36 is an extremely capable boat - able to go out in almost any weather and return unscathed. That is what you would expect from a hull form that's evolved through a hundred years of commercial fishing off the coast of Maine. Don't let her handsome lines fool you - this is a workboat hull, bred to work offshore, year round, in the worst weather. Her seaworthiness is legendary. Full keel and skeg protects the running gear from grounding.
