SPECIFICATIONS

Overview

LAURALEA is one of the last California Cabos. Made completely in California to Cabo's original specifications. It is one of only a few 43's available with the desirable 6 cylinder 800 MAN common rail engines. **LAURALEA** cruises at 27 knots and is fuel efficient with only 1000 hours. Maintained by a professional captain with all required engine service completed on schedule. Napier Hull Design. All new stereo system throughout boat. New Fusion and radar display. The best riding Cabo built!

Hull Designer: Cabo

Exterior Designer: Cabo

Interior Designer: Cabo

Engine Information

Engines: 2

Manufacturer: MAN

Model: R6 Common Rail

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

The Cabo 43 Convertible is very practical and inviting. As you enter the main salon from the cockpit you are greeted by a Leather L-shaped couch, a breakfast/dining area adjacent to the open galley featuring built in storage shelves made of teak and holly sole. The entertainment center has large windows down both the port and starboard sides completing the room with great lighting.

The companionway is down two stairs and to starboard is a master stateroom complete with a queen sized berth with new custom mattress and en suite head with spacious shower. To port is a guest/day head with sink, toilet, and hand held shower. Forward is a versatile guest stateroom featuring 3 single berths in an over-under fashion sporting 3 new custom mattresses allowing for great flexibility for a variety of guests or overnight fishing trips.

The upper bridge includes a sitting area forward of the helm, 2 helm chairs, and a new semi-rigid enclosure forward and sides to protect you and the top end electronics package. The cockpit, as with any Cabo, is a great place to entertain or fish because of her large beam. Additional refrigeration and freezer space is found throughout the boat.

Electronics

- New enclosure and covers on Bridge 2018
- New stereo system throughout boat
- New Fusion and radar display
- Garmin 8212 gps maps with 12 inch touchscreen display, preloaded US coastal charts and Bahamas, 2015
