SPECIFICATIONS

Overview

COBALT 230 BOW RIDER CRUISER Cobalt boats are well know for their building techniques and comfortable rides on the ocean, bays or lakes. Their power to hull ratio far exceeds their competition, and gives the owner an edge in performance. Space has been defined anew, as the Cobalt 230 makes all best use of every inch of room -- over, under, sideways, providing exceptional room for passengers (rated to 12) and all your gear. The 230 concentrates on the details, that subtly extend a boat's enjoyment: the extra room to stretch in the cockpit and bow, more cupholders, underseat storage, upgraded upholstery, beefed-up engine venting, and other such particulars of evolutionary Cobalt design.

Optional WSS Package

- Water Sports Tower w/Sunshade - From it's heavy gauge anodized polished aluminum stock to precision machined billet fittings and joints this tower is pro-athlete strong with lifelong good looks. And not a single unsightly weld in site. The perfectly integrated racks to port and starboard carry your four favorite boards in complete security. Solid. Rattle free. Then with a quick release of a swivel lock the racks swing 180 degrees inboard for safe access. Above, the accessory crossbar with LED cockpit lighting is pre-wired for tower spot lights and speakers, while the rigid mount sunshade has cockpit comfort covered.
- Exterior Graphics - Split gelcoat hull design; chrome silver WSS hull crystal cap emblems; three inch black chrome COBALT insignias in an edgy chiseled style.
- Interior Styling - WSS styling on the interior with a black powder coated instrument and glove box panels; the helm is dressed with extended brushed aluminum gauge bezels, and an upgraded black leather and polished stainless wheel.

EQUIPMENT LIST: Enclosed Head Seating for 12 Electronics include - VHF - Radio DVD Player - Multiple Speakers - Compass Sea Water Pump Fresh Water Pump Full Boat Canvass Cover Bimini Top Spray Hood Road Trailer
