SPECIFICATIONS

Overview

Springing from the eye-catching FD85, the new Horizon FD87 Skyline retains many of the FD85's unique features, including the expansive 23'3" beam, spacious on-deck Master with four guest staterooms and two crew cabins below deck, and stunning floor-to-ceiling windows in the salon. In place of the raised pilothouse in the FD85, the FD87 Skyline boasts a fully enclosed bridge with access to a Portuguese walkway leading forward to the bow and an inviting seating area. A newly popular design for the U.S. market, the FD87 Skyline also features a spacious beach club and swim platform aft, which provides a perfect spot for relaxing close to the water or enjoying watersports activities
