DETAILED INFORMATION

Description

Viridian is a classic 1986 36' Grand Banks trunk cabin trawler in nice condition offering a two stateroom, two head layout, 8 kw generator, reverse cycle air conditioners and new fuel tanks (2016). Her naturally aspirated Caterpillar 3208 diesel engine provides a proven and efficient power plant and makes this boat an affordable and comfortable Great Loop cruiser.

Walkthrough

Entering the salon through the starboard side deck access door, you will find the lower helm starboard forward, the L-shaped settee and table starboard aft, galley port forward and a bench seat port aft. The master stateroom with ensuite head is aft and the guest stateroom with ensuite head is forward. Engine room access is via salon sole hatches. The flybridge can be accessed from the port side walkway.

Accommodations

Viridian offers a master stateroom aft with a double berth to starboard and single berth to port and an ensuite head. The guest stateroom is forward and offers a v-berth and ensuite head.

Main cabin

The Main Cabin features the Salon, Galley and Lower Helm. The salon offers an L-shaped settee with storage underneath and the signature Grand Banks table with fold up leaves to starboard aft, storage cabinet to starboard, side deck access door starboard forward and port aft, a bench seat with storage underneath port aft, opening side and aft windows, reading lights, teak parquet sole and storage drawers. The galley is located port forward in the salon and features:

- Norcold 12 VDC/110 VAC refrigerator/freezer
- Princess 3-burner gas stove with oven
- GE microwave oven
- Stainless steel sink
- Large amount of galley storage cabinets and drawers
- Magna Grill (aft deck)

The Lower Helm is starboard forward in the main cabin and features:

- Datamarine Depth Display
- MaxPower Bow Thruster Control
- ICOM IC-M45 VHF Radio
- Standard Horizon HX750S Handheld VHF Radio
- Northstar 800 Loran C Navigator (inoperative)
- Morse Engine and Transmission controls
- Engine Gauges
- Ritchie Compass
- Tank Tender System Controls
