SPECIFICATIONS

Overview

One of Horizon's most popular models and an award-winning yacht, the Horizon E88 was designed by John Lindblom to retain her sleek style lines and functionality in both the open bridge or skylounge versions. The E88's voluminous 21' beam creates a generous interior space for guests and crew as well as wide, safe side deck walkarounds. Her main deck level allows for an uninterrupted transition between the salon and galley areas. A variety of interior and exterior layout options provide you with the flexibility to customize the E88 to satisfy your personal yachting needs.
