## Overview

---

Price Reduced! Excellent Value & Ready to Cruise in Style!

This 1987 Wellcraft St. Tropez 3200 is one of the most popular express cruisers ever made. "Southern Lady" has been loved and fussed over by her previous owner who was a retired airline pilot and for the past decade, her current owner for the last 14 years, with many updates including synthetic teak decking, new interior and cockpit upholstery, as well as re-powered engines with only 150 hours. This Wellcraft 3200 St. Tropez 1987 will economically cruise at 18 mph @ 3,000 RPM and easily do 22 MPH @ 3600 RPM (top end is higher, but owner is conservative never runs it any higher), and this model has a reputation for being a safe and comfortable coastal cruiser underway.

She was re-powered in 2007 with upgraded T-300hp MerCruiser 5.7L inboards with only 150 hours and new manifolds were installed in 2017. Other features include 12,000 BTU MarineAir Air Conditioning, a Garmin Color GPS and much more. Canvas Bimini with side enclosures is almost new. Sleeps six in large interior with an innovative Convertible Port Settee arrangement that includes a bunk bed above the generous size settee, as well as a convertible dinette. Nice, nice vessel.

Here's what the well-respected and independent Powerboat Guide has to say about this model:

*"The Wellcraft 3200 St. Tropez was among the first American-built cruisers to sport the then-new "Euro" look that was fast becoming the trend in 1980s sportboat design. Some 1,700 of these inboard cruisers were built making the St. Tropez the most successful Wellcraft cruiser ever. Below, the ...fabrics & carpeting, as well as the brushed aluminum trim, were a clear departure from the traditional teak-trimmed interiors of other family cruisers. There are berths for six - a notable accomplishment since there is no aft cabin. The St. Tropez's single-level cockpit is arranged with a double helm seat forward, a companion seat opposite, and removable bench seating Aft. This is incidentally, a very uncluttered cockpit with room for some light-tackle fishing."*

If you are looking for an express style yacht that is ready to cruise and comfortable enough to be your winter cottage; then you owe it to yourself to schedule a personal inspection because this classic Euro styled cruiser won't be on the market long.

# DETAILED INFORMATION

---

## Information

---

### Accommodations

Step aboard onto the large swim platform with folding SS Swim Ladder and a two-step ladder attached to the center of the transom with a gate that allows for easy access into the spacious cockpit with professionally installed synthetic & elegant PVC Faux Teak Decking. The Cockpit boasts "like-new" U-shaped upholstery seats and bolster trim pads that wrap around the aft section of the cockpit, providing seating for 6 guests. Moving forward, the double helm seat is to starboard and the single companion seat is to port with the sliding molded acrylic companionway pocket door in the center. The Sunbrella Bimini fully covers the Cockpit and the U-Zip Vinyl windows forward are attached to the top of the fixed glass Windshield; providing excellent protection from sea spray and rain.

Moving below, down the companionway stairs, the private head is to port aft, with molded vanity and sink with pull-out shower, as well as an electric head and plenty of storage above and below the vanity.

Opposite Aft to starboard is the well-equipped U-Shaped Galley with a two-burner Origo non-pressurized Alcohol & Electric Stove, a large SS sink, and aft, a built-in Microwave and below, a Norcold AC/DC Refrigerator/Freezer, Hot/Cold Pressure Water, and plenty of storage below and above the formica countertops. The Decor is clean and bright formica cabinetry with chrome accent trim; easy to maintain and it creates a very light and airy interior, complemented by the cozy look and feel of the beige low-pile carpet.

Forward of the Galley is a convertible dinette table that converts to a double bed, with storage cabinets and a 12V Stereo outboard, as well as additional storage under the seats & the 12,000 BTU MarineAir Reverse Cycle Heat & Air Conditioning System.

Opposite the Dinette to Port at Midships is a convertible Settee with a clever cushioned backrest that raises to become an upper bunk bed. All the way forward is the the Master Berth with curtains to close the area off for privacy. There are hanging lockers to Port and Starboard on both sides aft of the partial walk-around Berth. Additional storage is under the pedestal frame of the berth and convenient shelves are recessed on each outboard side of the berth. There are two Opening Deck Hatches with screens; one is located over the Master Berth and the second one is centered between the Salon and the Forward Berth.

## Galley

- Origo Two-Burner Electric/Alcohol Stove
- Microwave Oven
- Norcold AC/DC Refrigerator/Freezer
- Stainless Steel Sink
- Hot/Cold Pressure Water
- 8 cabinets & Drawers

## Engines and Mechanical

This 1987 Wellcraft 3200 St. Tropez was repowered in 2007 with twin 300HP MerCruiser 5.7 Liter engines. Features include:

- New Manifolds (2017)
- Fresh Water Cooled (Closed Cooling Systems)
- Teleflex Engine Synchronizer System
- Full Engine Analog Gauges & Hourmeters
- Bennet Trim Tabs
- Fuel Filters
- Easy Engine Room Access
- Upgraded Engine Room Lighting
- Digital Tachometers
- Halon Automatic Fire Suppression System

## Electrical Systems

- 110/12V Electrical System with Breaker Panels
- ShorePower Cords & Outlets
- Battery Charger
- 2 banks of Batteries
- Hot water tank
- MarineAir 12,000 BTU Reverse Cycle Heat & Air Conditioning
- Trim Tabs
- Horn
- Bilge Pump (automatic & manual)
- Windshield Wipers
- Searchlight with Remote at Helm
- Safe-T-Alert Fume Detector

## Hull and Deck

***Southern Lady*** is detailed and waxed on a regular basis so her hull shines and the cockpit has recently been updated with long-life PVC Faux Teak Decking & new

upholstery seats that wrap around the transom. The dual Helm seat and companion seat upholstery is in "like-new" condition so the curb appeal of this yacht will make any owner proud to pull up to the dock at your next yacht club event. Other features are:

- Fully Enclosed Sunbrella Bimini with Screens
- Swim Platform with SS Ladder
- SS Bow Pulpit with Side rails
- Dockside Water Connection
- Bruce 10Kg Claw Anchor & Spare Danforth with Chain & Nylon Rode
- Anchor Roller integrated in Bow Pulpit
- Radar Arch
- Transom Shower

### **Electronics and Navigation**

- Garmin GPSMap 192C Color Chartplotter
- Impulse XP Digital Depth Sounder
- Compass
- Handheld VHF Radio
- AM/FM Stereo with 4 speakers

### **Exclusions**

---

Owner's personal belongings.
