DETAILED INFORMATION

Broker Comments

“Sweet Escape” underwent a multi-million-dollar MAJOR refit from 2017-2018 and now she is available for sale and charter. Her exceptional tri-deck 6 stateroom layout offers the space and amenities of a super-yacht but at a fraction of the cost. See all the refit details within the listing.

Vessel Highlights

- New Caterpillar C-32's installed in 2011
- Tri-Deck with 6 Staterooms
- Sky Lounge, sun deck, bow seating, and a Portuguese bridge
- Newly installed davit on the bow and a new hydraulic platform on the stern
- New wallcoverings, new carpet, new LED lighting, new audio visual, new electronics, new soft goods, new furnishings, new tenders, new toys, new appliances, new AC chillers, and new generators are already ordered

Walkthrough

Entering from starboard on SWEET ESCAPE, one will reach a formal foyer with teak finished floors. There is also a well-appointed day head in this area. Moving aft from the foyer one will enter the formal dining area. The dining table can be set to accommodate 10 guests. The main salon is appointed with beautiful furnishings, U-shaped settee, two comfortable swivel chairs, end table, a coffee table and ottomans. There is an additional chair as well as a table with four chairs perfect for a light snack or a game of cards. The main salon and dining area have ample storage with built in serving areas

Forward to port is the state-of-the-art galley with professional appliances, excellent counter space, storage and refrigeration. One of the best features is the island counter. There is plenty of light with the larger windows in the galley, perfect viewing while underway or at the dock. The galley has a door at the both entrances that can be closed to keep noise and smells from entering other areas of the vessel. Forward of the galley is a larger pantry with ample storage that also acts as a buffer to eliminate noise from the galley to the master.

Further forward is the on-deck full beam VIP with ensuite, king berth, closet, ample storage, desk/vanity and sitting area. The VIP has larger windows with blinds and shades.

Mid-ship stairs lead down to the 5 well-appointed staterooms below. The full beam

master is found forward with a king size berth, desk/vanity, settee to starboard, walk-in closet and His and Hers bathroom. Hers with tub and shower and his with shower. Moving aft from the master you will find the remaining 4 guest cabins. The large lower VIP cabin has a king berth, the other two twin cabins can convert to king berths, and the 6th stateroom has two adjacent bunk beds. All cabins have the best of entertainment systems, are well-appointed, and have ample storage.

From the formal foyer one will go up a spiral staircase to the upper landing that will take one aft to the sky lounge or forward to the pilothouse. The pilothouse has the state-of-the-art navigation equipment. There are three raised helm chairs, ample storage and charter space. One can reach the spacious captain's cabin from this area. There are ample walk-around side decks with pilothouse entry doors allowing for easy movement around the deck and entire vessel. The Pilothouse offers excellent visibility while cruising.

Aft from the upper landing one enters into the sky lounge where you are surrounded by full length windows for excellent views and natural light. There is a bar with five bar stools to starboard, a settee with end tables, two chairs and a coffee table to port. The sky lounge is a beautiful area for entertaining, watching movies or hanging out at the bar. There is also a well-appointed day head on this deck.

Moving aft from the sky lounge through the large double sliding doors, one will enter the boat deck. Here you will find a beautiful built in-service area and tables with seating for 10 to dine outside. From this area one can go up another set of stairs to the sundeck. The sundeck features a large sun pad and Jacuzzi.

Moving back down to the aft deck, one can enter the main salon through the glass doors. This beautiful and spacious aft deck features a large teak table that seats ten guests. There is a built-in settee with a table. There is a wet bar with granite counters and built in storage. The aft deck is designed to be well protected from the elements by its overhang.

From the aft deck one can go down a set of stairs to a large hydraulic swim platform that makes for easy access to the water for swimming or water sports. The aft deck also gives one access to the passerelle for convenient stern boarding.

Stateroom Details

MASTER STATEROOM: Located amidships on the lower deck. Full-beam stateroom with walk-around Sleep Number® king-size bed, mini-refrigerator, desk and settee. Separate his-and-hers ensuite amenities include Jacuzzi tub with overhead shower, bidet head, backlit quartz countertops with artisan sink, walk-in closet and vanity dresser for her; bidet head, steam shower with bench seat, backlit quartz countertops with artisan sink for him. Other features include: Control4 lighting and entertainment

system with remote, featuring HDTV, access to central satellite receiver and media server, and Bluetooth audio. Portholes in the master stateroom and both ensuites add abundant natural light when desired. A complete blackout option is also available.

ON-DECK VIP KING STATEROOM: Located forward on the main deck, this VIP stateroom offers a Sleep Number® king-size bed with breathtaking views. Features include: vanity desk, ensuite with double shower and bidet toilet, plus Control4 lighting and entertainment system with remote featuring HDTV, access to central satellite receiver and movie server, and Bluetooth audio.

LOWER DECK VIP KING STATEROOM: Located amidships to aft, this full-beam VIP stateroom has a walk-around Sleep Number® king-size bed. Features include: ensuite with full bath/shower combination and bidet head, plus Control4 lighting and entertainment system with remote featuring HDTV, access to central satellite receiver and movie server, and Bluetooth audio.

CONVERTIBLE TWIN/KING STATEROOM TO STARBOARD: Located amidships on the lower deck, this stateroom has two twin-size beds (extra-long) convertible to 1 king-size bed. Features include: ensuite with shower, and Control4 lighting and entertainment system with remote featuring HDTV, access to central satellite receiver and movie server, and Bluetooth audio. Note: This stateroom shares the ensuite bathroom with the 6th guest stateroom.

CONVERTIBLE TWIN/KING STATEROOM TO PORT: Lower deck amidships: Two twin-sized beds (extra-long) convertible to 1 King bed; ensuite (with shower). Control 4 lighting and entertainment system with remote, HDTV, access to central satellite receiver, movie server, Bluetooth audio. This stateroom shares the ensuite bathroom with the 6th guest stateroom.

6th GUEST STATEROOM: Located on the lower deck, this stateroom has two adjacent bunks with twin Sleep Number® mattresses (extra-long). Features include a hanging locker and storage drawers, Control4 lighting and entertainment system with remote, HDTV, access to central satellite receiver and movie server, and Bluetooth audio. Note: This stateroom shares the ensuite bathroom with the portside convertible twin/king stateroom.

Indoor/Outdoor and Dining

AFT DECK: The aft deck offers fully covered alfresco dining for 12. Features include: full wet bar with fridge and sink, retractable HDTV with access to central satellite receiver, movie server with over 750 movies, surround sound cinema experience, and passerelle for Med-style boarding. Depending on weather, the aft deck is enclosable with Eisenglass and includes heating/air-conditioning. Walk-around decks enable easy, unobstructed access to the bow area.

SWIM PLATFORM: Accessed on the starboard side, the hydraulically operated swim platform has a rain shower head and underwater lighting, plus easy access to Sweet Escape's custom inflatable toy dock.

SALON: The voluminous salon has ample seating areas, plus a game table for 4 or more guests; Control4 lighting and entertainment system with 75-inch HDTV access to central satellite receiver, central movie server, Bluetooth audio, 7.2 cinema surround sound, PlayStation 4, wine wall, piano, and a newly remodeled, stylish day head.

FORMAL DINING: Adjacent to the main salon, the formal dining area has an extendable rectangular dining table, which comfortably seats up to 12 guests with inventive table settings at every meal!

PORTUGUESE BRIDGE: An idyllic private space to enjoy spectacular sunsets, this magnificent semi-circular seating area has a new dining table to accommodate alfresco dining for up to 12 guests, plus audio and shade options.

SKYLOUNGE ON BRIDGE DECK: Located on the bridge deck, the sky lounge features a marvelous full bar with swivel barstool seating for 5. Sofa, chairs and stools add an additional 7-plus seats. This comfortable lounge area is the perfect spot to unwind after a fun-filled day, with a 60-inch HDTV, surround sound, access to central satellite receiver and movie server, Bluetooth audio, and a convenient day head.

BRIDGE DECK AFT: This multipurpose area benefits from full sun, but includes a variety of sun shade arrangements. Features include: alfresco dining for up to 12 guests, four sun loungers, lounge seating for up to 12, two large parasols, and access to the sundeck and Portuguese bridge.

SUN DECK: A sun-worshiper's dream with sensational panoramic views, port and starboard settee seating, a 6-8-person Jacuzzi, oversized sunpad, BBQ and a variety of shade configurations.

Green Features

Sweet Escape has made significant efforts to be as environmentally friendly as possible. Rare for a vessel this size, she has a black-water treatment facility, which allows us to safely treat black water waste to be disposed of properly. Additionally, disposable items are kept to a minimum (i.e., we do not stock plastic straws), and our state-of-the-art water treatment plant allows us to produce our own drinking water, helping reduce the use of plastic bottles while on board. Every single light bulb onboard Sweet Escape is an LED light bulb, and low-e reflective film has been applied on glass as well as insulation throughout to reduce energy consumption.
