## Overview

---

**"Vomo" has been lovingly maintained and extensively cruised by her current owners, and she is ready to be passed along to new owners who will love her and continue her legacy of far-away islands, relaxing sunsets, and thrilling ocean passages.** Her deck-salon design brings the beauty of the outside into the cabin, illuminating the salon and ensuring that your surroundings are always visible when you are below.

Her bulb keel gives her the capability to cruise shallow waters and the stability and performance for offshore passages. Her engine hours are low, her mainsail is brand new, she is equipped with solar panels, a generator, air conditioning, two battery chargers, two auxiliary diesel tanks, a dinghy and reliable Yamaha 2-stroke outboard, a full canvas enclosure, in-mast roller furling main (brand new!), and much more.

She currently sits in Green Cove Springs, FL. awaiting her next adventure. She has been hauled out for under a year and is in a hurricane-safe location near a fabulous DIY boatyard.
