Overview

Fresh new hull paint completed by Bluewater Yacht Yard- 12/19 This 2006 56 Custom Sportfisherman by Purdue Custom Yachts features a Carolina design and beautifully finished interior layout. Her three layer cold molded bottom construction provides a soft ride and has remarkably stable fishing qualities that we all prefer in the trough. Her interior, beamy cockpit and large comfortable bridge give her the feel of a much larger boat. The "Backlash" features a double stateroom layout with 2 heads and *BONUS* companionway berths midship. She's a proven fishing platform with a record of success. Powered by a pair of Detroit 60 Series engines the Backlash has respectable performance numbers.

Recent upgrades/service include:

- New Cruise Aire A/C units
- New 3/4 bridge enclosure
- New engine mounts
- C Grip Marine Soft Deck system in cockpit and at helm
- Twin Disc Quick Shift controls
- Heat Exchangers cleaned and serviced
- New engine charge units
- New exhaust manifolds with one spare
