SPECIFICATIONS

Overview

27' Custom Blackfin Open layout offers the desirable combination of seaworthiness, fishability, and a comfortable, open arrangement for entertaining. Black Tie is powered by Crusader 454's and provides a legendary ride thanks to her full Deep-V design. The helm and companion seats are arranged well aft which serves to enhance the ride in any sea. A v-berth, head, and sink forward provide shelter for overnights offshore or in the harbor of your choosing. The owner has added a custom fabricated top and brightwork that add nice pop to this classic.
