SPECIFICATIONS

Overview

Embodying the versatility and space that characterizes the FD Series, the FD80 (ex-FD77) Open Bridge has been specified for the American market and features a four-stateroom layout with an on-deck master and beach club – a unique addition for a yacht of this size. The spacious master stateroom features a full-height walk-in closet, large ensuite and a seating area with a sofa and desk. Three additional ensuite staterooms on the lower deck comprise of two VIPs – one forward and another to port – alongside a twin that converts to a double.

Enhanced by large sections of glass and a folding glass door in the salon that captures the casual elegance of an oceanfront retreat, the FD80's interior is highlighted by a pleasant contrast of lights and darks; with satin Light American Oak offset by high gloss Walnut accents, and a mixture of materials and textures – from leather and colorful soft goods to white lacquer overhead paneling and natural Carrera marble stonework. Intended to take advantage of the yacht's 23ft beam and large windows, the interior layout features an extended salon and breakfast bar that is incorporated into the galley island.

This first FD80 showcases a spacious open bridge with a fixed windshield, and a walkaround deck on this level provides welcome separation between the multiple entertaining areas on the bridge deck, allowing for ease of transition between the aft area – which houses the davit and tender – the dual side wingstations that facilitate safety and visibility while docking, and the forward seating area, which offers built-in seating and sunpads for relaxing at anchor.

Quick Specs

Open bridge w/ helm, fixed front windshield & A/C

Large flybridge layout w/ bar + seating

On-deck Master stateroom + three guest cabins below

Private crew quarters aft

Large main salon + breakfast bar

Spacious galley w/ privacy screen & doors

Customized and luxurious interior package for soft goods, woods, stones and more

Beach club w/ Hi-Lo swim platform & hydraulic door

Large bow seating area + sun pads
