Manufacturer Provided Description If the goal is nimble handling, economical operation and outstanding performance in a large fishing and cruising boat, the Pursuit 3000 Express can fit the bill. Ruggedly built, with a modern hull design and a proper length-to-beam ratio, this boat delivers a smooth, dry ride, and great rough-weather performance. Like all Pursuits, a top priority in the design of the 3000 Express is fishability, but a great deal of emphasis has been placed on cruising comfort. There's a large double berth forward and the dinette converts to a 6-foot, 6-inch berth. Optional teak and holly solid-wood flooring, air conditioning, and a selection of fabrics, all contribute to luxury and livability. Optional Clarion and Magnavox audio and video systems add to the luxuries below. Up top, the 3000 Express has a wide-open cockpit with aft seating, making her suitable for entertaining as well as fishing. An oversized windshield provides protection from the elements and clear vision for navigation. And there's a long list of standard fishing features. Powered by twin gas or turbo-diesel engines, the 3000 Express is fully capable of fishing the far reaches of the Gulf Stream and cruising to distant ports.

Equipment List Pursuit 3000 Express Specifications - Standard Equipment Hull, Deck & Cockpit - 5-year transferrable limited warranty on hull and deck - White hull and deck - Constructed with a water-barrier outer gelcoat layer and hand-laid fiberglass with a specially formulated resin - Custom non-skid deck, cockpit surface and gunnel boards - Acrylic sliding companionway door with lock - Day hatch in upper cockpit floor for engine access and routine maintenance - Port lounge seat, oversided ladder-back seat at helm - Bronze seacocks and underwater through-hull fittings - Self-draining cockpit - One piece welded 316L stainless steel bow rail - Two chrome-plated bronze hawse hole deck pipes - Vented heavy duty aluminum windshield with built-in hand rails - Four opening aluminum port lights with screens - Flush forward rode locker with overboard drain - Molded-in fiberglass bow pulpit with stainless steel bow roller - 316L stainless steel foredeck cleat - Hullside engine exhaust - Three forward deck hatches with adjuster and screens - Molded-in heavy duty transom door and gate - Recessed fold down aft seat - Four 316L stainless steel 10-inch mooring cleats - Two 316L stainless steel 10-inch spring cleats - Recessed trim tabs - Integral fiberglass hullside engine room ventilation - Fiberglass gunnel boards - Cockpit coaming bolsters - Port & Starboard windshield wiper - Gold tip throttle knobs - Electric engine hatch lifting system Comfort & Interior - Carbon monoxide detector - Vinyl headliner - 12V Indirect
