SPECIFICATIONS

Overview

The ArrowCat 30 was first imported into the US in 2008 and has won over a large following. She is at home in bays and rivers as well as in the open ocean fishing for the elusive blue marlin or as your dive platform with a wide and sturdy swim platform and heavy duty folding Swim/Dive Ladder! Able to cruise in the mid 30 knot range in wind blown chop, you can be the first to your destination, stay longer and still beat the crowd back to the dock. Add to this that the ArrowCat 30 is trailerable with a 10' beam and your cruising grounds expand exponentially. Winter in Florida, summer up North and plan the trip of a lifetime around the great loop.

This 2008 ArrowCat 30 has been upgraded with features only found on later models; such as the Aluminum framed solid Aft Enclosure with sliding glass door and windows with screens, and a Vented Windshield; providing significant comfort compared to earlier models with a soft aft enclosure and no windshield vents. She features a Dark blue hull and Twin Suzuki 175hp Four-Stroke Engines with only 550 hours.

This 2008 ArrowCat 30 features a full suite of Raymarine Navigation Electronics, including an E-120C Color Chartplotter with Radar, Autopilot with remote, full Digital engine instrumentation, a Quick Double Gypsy 12V Anchor Windlass with Up/Down Deck Switches and a digital Chain Counter. Her full galley, 3 separate private berths and spacious head with Jabsco Electric Toilet and shower. "Catching Up" will sleep 7 or 8, and the Xantrex Freedom SW 3012 Inverter/Charger and 4 Group 31 Batteries, will allow you and your crew to enjoy a wide range of 110V appliances while underway. Trailer not included but available for sale if interested.

Call today to schedule a personal inspection and be prepared to be "Wowed" by all the features and comfortable space that ArrowCat has created in a 30' Power Catamaran.
