SPECIFICATIONS

Overview

This beautiful green hulled Selene attracts attention at every port. Step aboard into a well thought out design for comfort whether making an ocean passage or living aboard. After delivery, she cruised up the inside passage to Alaska and then down the West coast to the Baja peninsula eventually ending up in the Southeast United States. She just recently completed a voyage up the East coast and then back down to the Bahamas. The boat has been meticulously maintained. Some of the options selected by this owner include Wesmar 7.5 s.f. stabilizers, Yanmar 56HP get home engine with folding prop, Nouvorania 12' RIB with 40HP Yamaha, Airtex 600kg Davit and much more. The commissary has an 8 cu ft Freezer, wine locker, lockers for canned and paper goods and a great place for those suitcases your guests will bring. Second stairway access to the master stateroom give guests privacy. Custom pantry doubles storage in galley. Full size separate washer and dryer are a must for luxury cruising. Heated towel bars in heads keep towels always dry and warm. Beauty, comfort and safety define Selene yachts.
