SPECIFICATIONS

Overview

This meticulously maintained Regal is stored high and dry with wash down and engine flush after every use. The 3060 Window Express is designed for comfortable cruising and entertaining both under way and at anchor. A semi circular bench, with removable table, starts across from the well appointed helm and wraps around to the stern walkthrough at mid cockpit. Behind the helm is a wet bar with sink and faucet and a trash can. Across the stern is a fold away bench that locks into the stern wall when not in use. Also on the stern are dual shore power cords as well as a transom shower with both hot and cold water. Down below is a spacious galley with Corian countertops, sink, microwave, two burner electric cooktop, under counter fridge and plenty of storage. The large head includes shower, toilet, sink and vanity. The sizable saloon incorporates a large seating area and dinette table that can be quickly converted into a double bed for additional sleeping space. A queen size bed is located to the aft of the galley. With over 6 feet of headroom, a generator, and air conditioning, this Regal 3060 Window Express is a fantastic weekend retreat.
