# SPECIFICATIONS

---

## Overview

---

Windancer is a fine example of Hunter's highly popular 34 model, with over 800 hulls built in just over 3 years. When introduced the 34 was light years ahead of previous models in terms design and workmanship. Driven by a large rig, the 34 is a fast club racer and as one of the first boats of this size to offer a double cabin layout, she is also a great cruiser with lots of room and a comfortable layout below decks. The current owners have kept Windancer in great condition, most recently having replaced the sails and cabin sole. She is well equipped, clean and ready to sail away today.

## Basic Information

---
