## Broker Remarks

---

The Sea Vee 290B is designed for serious anglers. The composite cored hull reduces weight and makes for a stiffer, quieter boat with improved overall performance. Economical to run and easy to trailer, the 290B can get you to where the fish are. The deep V hull with 25 degrees of transom deadrise and sharp angle of entry provides a smooth, stable, dry ride normally found in much larger boats. Powered with twin

Mercury Verado 300's she has a top speed of 60 MPH and a range of 320 nm. 9' Beam. 20" Draft. Planes at 16 MPH. Don't miss this rare opportunity!

## Exclusions

---

Exclusions to include but are not limited to, owner's personal items. A detailed list of exclusions to be provided at time of sale upon written request from Buyer.

## Exclusions

---

Owner's personal belongings.
