SPECIFICATIONS

Overview

Fun in the sun awaits!! Have all the fun at a fraction of the cost of a new boat. There's room for a crowd on this wide open vessel. Plenty of space up front in the open bow that features lounge-style seating and several cup holders. There's also a front boarding ladder to make on/off at the sandbar a breeze.

Amidship you will find two large storage areas, one of which can house a porta-potti to add for the day's comfort. There is plenty of dry storage in front of the helm as well as a port side locker.

A nice bimini top provides shade for the aft lounge area and helm. Curved seating at the port stern provides room for several people to sit, or for a few to stretch out. There is a step-through door at the stern which provides access to the extra large swim platform. This platform is not available on earlier models and gives this boat the feel of a much larger vessel as well as easier access on/off the stern.

Motor was replaced 2007, with low hours on current engine, which has been well maintained and always flushed. Runs very smooth and has plenty of power.

Full mooring cover is included.

A tandem axle trailer in good condition is included.

This roomy deck boat was kept in a high-n-dry for most of it's life, only recently lift kept (approx. 2 years).
