LLC Ownership

Last Dance has been maintained in immaculate condition by both of her owners since new. Her current owner has been maintaining her and adding equipment as though he would keep her forever, but do to a change in plans he has put this awesome boat with the brand new AB 10.5' tender and Freedom Lift on the market at a very attractive price!

Upon entering the cabin of this beautiful yacht, you will enjoy the warmth and luxury of high gloss cherry cabinets, cherry blinds, Ultraleather upholstery and wood flooring throughout the salon, galley, and forward cabin.

The open cabin of the 450 Sundancer stretches all the way from the spacious galley and combination salon/dining area back to the dedicated media room. It invokes the great room concept of many modern homes, but is rendered in the ultimate mobility of Sundancer design. This open-concept design makes the yacht more airy and spacious with a modern sensibility that will suit trendsetters.
