Accommodations

Total Cabins: 1

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Planing

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: F350

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Main Description

This Pursuit 365i is built like a fishing boat and equipped like a cruiser. The "i" models designated meaning is "integrated outboard technology." The 365i conceals a pair of Yamaha F350's in an electric garage making these already quiet engines, even quieter.

This boat has the good looks that will stop you dead in your tracks and leave you wondering where do I get one. Look no further, this stylish outboard express cruiser not only has the looks but the performance and amenities to back it up.

Cockpit

- Full-beam swim-platform
- Swim-platform lounge
- Large transom storage locker provides access to shore power
