ХАРАКТЕРИСТИКИ

Основная информация

Тип судна: Крейсер	Подкатегория: Express
Модельный год: 2014	Год постройки: 2014
Страна: United States	Верх: Electronic Sunroof
Кубрик: Да	

Размеры

Длина общая: 36' 0" (10.97m)	Мин. осадка: 2' 2" (0.66m)
Трапы: 9' 11" (3.02m)	

Скорость, вместимость и масса

Крейс. скорость: 28 Kts. (32 MPH)	Крейсерская скорость поворота: 4500 Kts.
Дальность на крейсерской скорости: 216	Макс. скорость: 41 Kts. (47 MPH)
Водоизмещение: 17750 Pounds	Макс. скорость поворота: 6000 Kts.
Вместимость сточного бака: 28 Gallons	Вместимость воды: 75 Gallons
	Объем топливного бака: 300 Gallons

Размещение

Всего кают: 1

Корпус и палуба

Материал корпуса: Fiberglass

Комплектация корпуса: Planing

Информация о двигателе

Двигатели: 2

Производитель: Yamaha

Модель: F350

Тип двигателя: Outboard

Тип топлива: Gas

ПОДРОБНОЕ ОПИСАНИЕ

Main Description

This Pursuit 365i is built like a fishing boat and equipped like a cruiser. The "i" models designated meaning is "integrated outboard technology." The 365i conceals a pair of Yamaha F350's in an electric garage making these already quiet engines, even quieter.

This boat has the good looks that will stop you dead in your tracks and leave you wondering where do I get one. Look no further, this stylish outboard express cruiser not only has the looks but the performance and amenities to back it up.

Cockpit

- Full-beam swim-platform
- Swim-platform lounge
- Large transom storage locker provides access to shore power
- L-Shape Sofa to starboard with storage beneath
- Wet Bar
- Storage Lockers to port
- Custom Cockpit Upholstery with Dri-Fast Foam and mesh backing
- Captain's chair with swivel base, foldable armrests, adjustments (fore, aft and vertical) and flip-up bolster
- Molded lounge (port side) with backrest, footrest, drink holders, glove box and opening port lights with 316L Stainless Steel frame
- 12v MDP panel with Acrylic Door and Latch
- 12v Cockpit Refrigerator 2.3 cu. ft.
- Molded Entertainment Center with Sink, Hot/cold faucet, grill, hinged fiberglass lid and doors with magnetic stay
- Freshwater wash with Hot/Cold mixing valve and chrome over brass pull-out Sprayer
- Fresh and raw water outlet in the cockpit with quick connect fittings and 25' Hose
- LED cockpit accent lights with a waterproof switch in the cockpit at steps (portside)
- custom molded engine cover with stainless steel gas lift latched/gasketed entry door (portside) and engine ignition lockout
- Custom molded cockpit table with teak accents and Dedicated Storage
- Cockpit machinery access hatch

Hull & Deck

- Hand laminated hull with vinyl ester resin and engineered fabrics

- Infused fiberglass structural grid system with molded finish and integrated bilge water management system
- 5-ply resin infused composite transom system with patented transom reinforcement grid
- Trim tabs with indicator lights and auto-retract
- Bronze thru hull fittings below water line
- Chrome over bronze thru hull fittings below 7-degree heel line
- Stalon thru hull fittings above the 7-degree heel line
- Bronze garboard drain
- Dedicated transducer location not recessed in the hull
- Full length bonded hull windows (6)
- High-density PVC rub rail with solid 316L stainless steel insert
- 5/8" 316L stainless steel bow eye
- Bow thruster 5.4 hp with group 31 AGM battery will charge off the third leg of 40 amp charger
- Molded one-piece deck and cockpit liner with non-skid pattern area and overboard drains
- Hull and deck joint mechanically fastened with aluminum backing plates and thru bolts at cleat locations
- 10" pop up cleats (4) on stern and 10" Hershoff spring and bow cleats (4)
- Molded recessed hatches with gaskets and 316L stainless steel latches and overboard drain tracks
- Flush mounted integral anchor locker with fiberglass lid
- Horizontal anchor windlass with switch at helm and remote
- 316L stainless steel delta plow style anchor, twist shackle, chain and 250' of 5/8" rode
- 316L stainless steel through stem anchor roller with 8" mooring cleat, chain binder and aluminum backing plates
- Fresh and raw water wash down in anchor locker with quick connect fittings
- 1 1/4" welded 316L stainless steel bow rail with 1" stanchions and mid-rail
- Port and starboard 316L stainless steel 2 mile LED navigation lights
- 316L stainless steel deck plates for water, waste, and diesel; fuel chrome over bronze
- Telescoping, platform mounted four-step boarding ladder
- Full beam swim platform
- Molded lazarette storage box, fiberglass lid 316L stainless steel latch, and shore power access and 50 amp breaker
- Custom cockpit upholstery with dry-fast foam and mesh backing
- Molded port transom walkthrough and hinged acrylic transom door with 316L stainless steel latch and catch
- Port and starboard 316L stainless steel transom grab rails
- Molded port side lounger with backrest, footrest, drink holders, 316L stainless steel opening port light and glove box.
- Single captain's chair with foldable armrests, swivel, fore, aft and vertical

adjustment

- Freshwater wash with chrome over brass pull out sprayer, HOT & COLD
- Fresh and raw water outlet in the cockpit with quick connect fittings and 25' hose
- LED cockpit lights with a waterproof switch in the cockpit at port side steps
- Custom molded wrap around seating with insulated storage, 2.3 ft³ 12v cockpit refrigerator
- Custom molded engine cover with stainless steel gas lift latched/gasketed port side entry door and engine ignition lockout
- Custom molded cockpit table with teak accents and dedicated storage

Hardtop

- Molded fiberglass hardtop with opening sunroof
- 316L stainless steel hardtop supports
- Single piece, laminated, bonded windshield system
- Folding stainless steel all-around navigation light with flag burgee
- Six tricolors LED lights
- Aft LED spreader light
- 60 mil Stratoglass side curtains

Helm

- Molded fiberglass helm with instrumentation visor, molded footrest, and folding floor
- Starboard aft tilting with safety lanyard
- Teleflex tilt sport helm
- Custom comfort grip steering wheel
- 12v switch panel
- Independent windshield wiper washer control
- Compass
- Trim tab control panel and indicator
- 12v outlet
- Helm fire extinguisher

Accommodations

- Molded/acrylic access door with gasket, 316L stainless steel locking latch, and screen
- Molded cabin entry steps with handrail and wood treads
- Molded cabin hull liner with custom wood floor accents, storage access, drainage, and sound damping insulation

- Molded cabin deck liner with sound damping insulation
- Recessed bonded tempered glass hull and deck windows with shades
- 12v outlet
- 120v outlet with GFI protection
- Three switch panel with overhead LED lights (9) and LED floor accent lights (4)
