# DETAILED INFORMATION

---

## Accommodations and Layout

---

"Reilly Too" is a very nice one owner example of the popular Sea Ray 39/40 Motoryacht. The flush deck design of this boat provides a single level aft deck and helm area that keeps the captain social with their guest. The single exterior level design also creates easy to navigate walk around side decks making access to the bow and line handling a breeze. The helm area and aft deck are protected by a hardtop and full windshield so canvas is minimal and the area is air conditioned and heated. The aft deck has a built in bench seat with storage, wetbar with sink and an ice maker. The helm has a full suite of electronics and site lines are good in all directions. Moving into the cabin you will find a bright and open salon with beautiful dark wood cabinetry complimented by neutral carpet and port and starboard ultra leather settees. A high gloss table with two stools provides additional seating and dining. The galley has hardwood floors, large refrigerator and freezer and abundant cabinet and drawer storage. A washer and dryer along with a guest head with shower is forward and the guest stateroom is located in the bow. The master stateroom is privately located aft of the salon and has a walk around queen berth and a split head with separate walk in shower.

- Aft Deck Wetbar Sink
- Aft Deck Icemaker
- Aft Deck AC/Heat with Digital SMXir Control
- Cabin Two Zone AC/Heat with Digital SMXir Controls
- New Air Conditioning Water Pump (5/2017)

---

## Engine and Mechanical

---

"Reilly Too" has the desirable Cummins Common Rail Diesels only found in late model examples of this yacht. The 425hp motors give plenty of performance while having a smaller footprint in the engine room, burning cleaner and being more efficient than non common rail options. Professionally serviced with invoices available.

- Automatic Fire Suppression System (recently inspected)
- After Coolers Serviced 50 hours ago (2/2016)
- Starboard Sea Water Pump Replaced (7/2018)

---

## Electrical Systems

---

- Onan 10kw Generator (400 hours)
- 50amp Shorepower System
- 50amp Shorepower Cord with Glendinning Cablemaster System
- Batteries Replaced in 2016 & 2017
- Battery Charger
- AC Systems Panel with Breakers
- DC Systems Panels with Breakers

---

## Exclusions

---

Owner's personal belongings.

---
