Manufacturer Provided Description The lines that distinguish the 4260 are evident in the aggressive bow and sleek silhouette of the 3560. The hull design combines the highest performance with the maximum efficiency for a 35-foot yacht, and achieves all that is expected of the OceanTrac Hull. The functionality and social aspects of Cockpit Forward Seating and the warm and deeply comfortable interior, also acknowledge the excellent gene pool.

Disclaimer The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
